# Report of Selectmen

To the Citizens of the Town of Millbury:

The Board of Selectmen presents its report of the various Town Officers for the year ending December 31, 1969.

There will be a change in voting in Precinct 2 from the Burbank School to the new Elmwood Street Elementary School; this will go into effect at the Annual Town Meeting, March 7, 1970.

The Board of Selectmen and the Planning Board went on record that they were opposed to the present plans for the relocation of Route 122 by the Massachusetts Department of Public Works as it effects the Town of Millbury for the following reasons: It would landlock a potential industrial area in the East Millbury section of Town near the Massachusetts Turnpike and the only possible access to this area would then be through the Town of Grafton. No access road could be constructed after the project is started. It would involve the taking of 30 residential dwellings. The proposed location passes very close to the East Millbury Elementary School. The Massachusetts Department of Public Works notified the Board of Selectmen that another hearing will be held in the future to give the Planning Board and the Board of Selectmen an opportunity to present their views on this project.

This year the Police Chief and the Board of Selectmen will sponsor articles in the 1970 Town Warrant for Radar and breathalyzer equipment.

A request for aid from the Federal Government under Project 205 for the Blackstone River Flood Control was submitted by the Board of Selectmen and we have been assured that a complete study will be made by the U.S. Corps of Engineers.

Millbury's Sewage Treatment Plant (R. H. White Construction Co.) and the main interceptor (R. A. Buccella and Sons) are being constructed on schedule and should be completed this summer. The bids for laterals and extensions will be awarded in early 1970.

Once again we wish to thank all Town Officials and the Townspeople for their cooperation throughout the year.

Respectfully submitted,

GEORGE A. MALO, *Chairman*  
 FREDERICK E. LUCAS, *Clerk*  
 ROBERT L. MAYNARD, *Member*

**Report of the  
Sealer of Weights and Measures**

To the Honorable Board of Selectmen:

This Department has checked and sealed 189 various types of weighing and measuring devices. Trial weighings were made on prepackaged goods in all stores, to assure honest weight.

Respectfully submitted,

**F. JOSEPH BRADY**

Sealer

# Veterans' Service Department

To the Honorable Board of Selectmen:

As Veterans' Agent, I herewith submit my report of services rendered for the year ending December 31, 1969. The Auditor's report will give all expenditures, reimbursements and financial reports.

This department had 31 Millbury veterans admitted to the Veterans' Administration Hospitals and 54 veterans treated in the VA clinics in Worcester and Boston. In 1969 there were 710 applications completed and processed through this office and were forwarded to Local, State and Federal Departments. These applications were for Burial Allowances, Widows' Pension, Veterans' Pension, Viet Nam State Bonus, and Veterans' Aid. With the increased caseload, increased Nursing Home and Hospital rates the expenditure of this department has showed a marked increase.

One of the requirements to receive Veterans' Benefits (Town-State) the veteran must have served in military as wartime service defined by Chapter 115, General Laws as amended:

## *World War I*

Performed active service between April 6, 1917, and November 11, 1918, or performed such service as a Massachusetts National Guardsman from March 25, 1917 to August 5, 1917 and were discharged under honorable conditions.

## *World War II*

Performed one day's wartime service between September 16, 1940 and December 31, 1946, and must have been discharged or released from his or her last wartime service under conditions other than dishonorable.

*Korean Emergency* (June 25, 1950, to January 31, 1966, inclusive).

A. For those discharged or *prior* to June 9, 1954. One day of wartime service is sufficient, but they must have been discharged or released from his or her last wartime service under conditions other than dishonorable.

B. For those discharged *after* June 9, 1954. Performed 90 days active service, including 1 day's wartime service,

and whose last discharge or release from wartime service was under Honorable Conditions, provided that any person who so served in wartime and was awarded a service-connected disability or a Purple Heart, or who died in such service under conditions other than dishonorable, shall be deemed to be a veteran notwithstanding his failure to complete 90 days active service.

### *Viet Nam Veteran*

A. A "Vietnam Veteran" (as defined in Chapter 875 of the Acts of 1966, effective January 7, 1966, to December 8, 1966) shall mean any veteran who has been awarded the Armed Forces Expeditionary Medal or the Vietnam Service Medal for military Service. Performed in Vietnam between July 1, 1958, and the termination of the Vietnam emergency as declared by proper federal authority.

B. A "Vietnam Veteran" (as defined in Chapter 716 of the acts of 1966, effective December 8, 1966) shall mean any veteran who has served more than 180 days on active duty in the Armed Forces of the United States between February 1, 1955, and the termination of the Vietnam Campaign as declared by federal authority.

I wish to thank the Board of Selectmen and all other departments for their continued co-operation.

Respectfully submitted,

FREDERICK E. LUCAS

Veterans' Agent

I wish to take this opportunity to express my sincere appreciation to all department heads and their subordinates for the cooperation given me and the members of the police department for the past year.

Respectfully submitted,

HOWARD R. WHITE

Chief of Police

## Report of Emergency Dispatcher

To the Honorable Board of Selectmen, I submit my annual report. The calls received by the Emergency Dispatcher during the year of 1969 are listed as follows:

In-coming telephone calls	2,039
Out-going telephone calls	453
Calls sent over radio to cruisers	1,413
Calls answered over radio from cruisers	556
Fire alarm boxes rung	25
Calls to Highway Department	24

During the hours from midnight to 8 A.M., I answered 1,826 calls. We totalled 438 calls over our 1968 calls, during these hours.

Total number of calls recorded 4,510

This figure denotes an increase of 815 calls over our total calls for 1968. Indeed, it has been a busy year for the dispatcher.

Respectfully submitted,

PHYLLIS I. CARNEY

Emergency Dispatcher

## Report of Safety Officer

To the Honorable Board of Selectmen:

I respectfully submit the following report for the year 1969. I held Safety Instructions throughout our School system. All programs were presented with the approval of the Chief of Police and Supt. of Schools in co-ordination and help of Principals and Teachers of respective schools.

Jan. 14 Safety Program at Burbank School (82) — Dorothy Manor School (90).

Jan. 15 Safety Program at Providence St. School (80).

Jan. 16 Safety Program at Elmwood St. School (526) — Assumption School (380).

April 3 Safety Program at Center & Union School (940).

April 8 Safety Program at two sessions Memorial High-Jr. High School (995).

March 17 and 26 School Crossing Guards Instructions.

May 17 Bicycle Inspection and Safety Test, Memorial High School (218).

June 13 Safety Program and Film (Rescue-Breathing) Boy Scouts Troop 109.

Sept. 11 Safety Program Boy Scout Troop 98.

Nov. 6 Distributed Safety Material to all Schools.

Nov. 20 Speed Limit Zones survey with State Traffic engineer.

Attended 11 Safety-Officers training seminars during the year.

### RESUME OF PROGRESS MADE IN 1969

1. More speed limit zones have been established for the safety of all citizens.

2. More and better marking of Crosswalks, Stop lines, Pedestrians warnings.

3. BICYCLE SAFETY: bicycles have increased from 38 per cent to 43 per cent this year and had one accident, two less than last year; (I wish to thank the Millbury Aux. Police for the fine job again this year with the bicycle program). They inspected and safety tested 218 bicycles. The program was a great success.

4. "Winter No Parking Ban" from 1 a.m. to 6 a.m. facilitated our traffic problems and snow removal. It cut down accidents and kept traffic moving.

In the year 1970 we must accelerate traffic safety education by using the new approach to the problems of Safety — which means that all — must accept real responsibility for the improvement that is needed.

We must continue with improvements by having everyone regardless of age take part — BE SAFETY MINDED.

Our safety programs are available for any organizations, clubs, church, Boy Scouts, P.T.A., etc. By contacting Chief White or Safety Officer 10 days in advance we will have a program of interest, educational, and appropriate for the group requesting it.

I want to thank all who helped in my work, The Board of Selectmen, Supt. of Schools, for their encouragement and support. To Chief White for his guidance and complete support.

LET US ALL UNITE AND MAKE MILLBURY THE SAFEST TOWN IN WORCESTER COUNTY.

Respectfully submitted,

JOSEPH A. LAUZON

Safety Officer

## Report of the Engineers of the Fire Department

To the Honorable Board of Selectmen:

The Engineers appointed by your Board met and organized as follows:

Kenneth L. Army, *Chief*  
Alfred E. Caplette, *First Assistant*  
Ray Cross, *Second Assistant*  
William Gibson, *Third Assistant-Clerk*  
Donald Gover, *Fourth Assistant*

During the year No. 1 Company answered 180 alarms, of which 93 were bell alarms, 81 were false alarms, 5 still alarms and 1 drowning. No. 2 answered 193 alarms of which 86 were bell alarms, 82 were false alarms, 24 station calls, 1 still alarm. No. 3 Company answered 185 alarms, 62 of these were false and 25 were still alarms. No. 4 Company (Ladder) answered 136 alarms of which 66 were bell alarms, 69 were false alarms, and 1 drowning. No. 5 Company answered 188 alarms, of which 105 were bell alarms, 44 were false alarms, 39 still alarms.

### RESCUE UNIT

12 Accident Calls  
4 Cellars pumped  
4 Dogs fallen through ice  
1 Drowning call

1 Skin diver with spear in ankle

All Box & Still Alarms

Our fire loss is as follows:

Value of Buildings	\$80,000.00.00
Loss on Buildings	29,349.00
Insurance on Buildings	31,500.00
Insurance paid on Buildings	21,049.00
Value of Contents	41,047.00
Loss on Contents	25,000.00
Insurance on Contents	13,047.00
Insurance paid on Contents	9,400.00

The Engineers wish to call to the attention of the residents of Millbury, that a fire permit is always required for any out-of-door fire.

Respectfully submitted,

KENNETH L. ARMY, *Chief*

ALFRED E. CAPLETTE,

*First Assistant*

RAY CROSS, *Second Assistant*

WILLIAM GIBSON,

*Third Assistant-Clerk*

DONALD G. GOVER,

*Fourth Assistant*

## Report of Forest Fire Warden

To the Honorable Board of Selectmen:

I hereby submit my report for the year ending December 31, 1969.

This department was called to a total of 116 fires: 23 grass; 92 brush; and 1 dump fire.

Our expenses for the year were as follows:

Salary of Warden	\$450.00
Wages	2,009.75
Dues to Worc. Fire Association	20.00
Payroll forms	11.00
Safety glass replacement	15.00
Brushes, paint, lanterns	13.31
Nozzle repair	18.50
Repairs to truck	167.69
Miscellaneous	14.88
	<hr/>
	\$2,492.63

Respectfully submitted,

FREDERICK A. LECLAIRE

Forest Fire Warden

## Report of Dog Officer

To the Honorable Board of Selectmen:

The activities of this Department for the year 1969 are as follows.

Stray dogs picked up	72
Complaints investigated	66
Lost dogs returned to owners	32

Dogs must be licensed April 1st of each year. Please report lost dogs to the Dog Officer to assist us in returning them to their owners. All dogs must be restrained until after 9 a.m. on school days. Complying with this law will help to protect your children.

Respectfully submitted,

FRANCES M. COLBY

Dog Officer

# Report of Millbury Public Library

To the Honorable Board of Selectmen:

We herewith submit our annual report for the year 1969. The report of the Librarian is included.

To the Trustees: As Librarian of the Millbury Public Library, I submit the following report.

The Library has been open 284 days, the total number of books purchased during the year totaled 540.

The classification of the circulation is as follows:

Fiction	7,120
Classified	4,816
Juvenile	8,790
Magazines	382

The total circulation for the year was 21,108.

In observance of National Library week a story hour was held at the Library. The centerpiece for the table was given by the Russell Flower Shop and new books were on display.

The Perry Funeral service provided book markers for our readers. Gift of \$106.36 was given from the Millbury Halloween Fund, Ruth Jordan President, Gloria Dennison, Treasurer, Marjorie Marson Assistant Treasurer. The Singletary Rod and Gun Club gave us books on wild life. Gift of money for a book by June Griffin in memory of Henry Griffin. The Millbury Women's Club have always been very generous in their donations to the Library. A book of poems by Mrs. Frank Berry, Worcester.

We also wish to express our sincere appreciation for gifts of books and magazines from various organizations and friends.

(signed) Laura E. Paletta

Trustees

DENNIS L. KELLIHER

ELMER P. BALLARD

RICHARD N. KENARY

# Report of Gypsy Moth & Elm Leaf Beetle Superintendent

To the citizens of Millbury and Honorable Board of Selectmen:

I hereby submit the following report as Local Moth Superintendent.

The towns in Massachusetts have many diseased Elm trees. In the past year 118 of these roadside, dead and diseased, and in many cases very dangerous Elms were cut down and removed for disposal. Another 21 large Elms were topped with hope of taking down the butts in 1970.

By a continous program of removing as many of these diseased Elms and a sensible spray program, we may gain some control of the Elm diseases in 1970.

I would like to thank all departments and citizens of Millbury for their assistance and co-operation.

The Equipment as follows:

2 Homelite saws	1 Hand Pruner
1 Sledge Hammer	100' 1/2" Climbing Rope
1 Axe	150' 1/4" Hand Line
1 Rake	3 Wedges
1 Pruning Saw	1 Sidewalk Broom
1 Tank Sprayer	

The Expenditures as follows:

Labor	\$1,902.75
Truck Hire	1,041.00
Spray Hire	100.00
Tree Removal Co. Hire	336.00
New Equipment	296.50
Saw Oil and Gas	
Maintenance and Repair	121.03
	<hr/>
	\$3,797.28

Respectfully submitted,

JOSEPH O. CAPISTRON

Moth Superintendent

# Report of Tree Warden

To the citizens of Millbury and Honorable Board of Selectmen:

I hereby submit the following report as Tree Warden.

On each of the following streets and town roads, many trees were cut down and removed for disposal:

Atwood Street	Kennedy Drive
Beach Street	Memorial Drive
Cherry Street	Railroad Avenue
Elm Street	South Main Street
Elmwood Street	South Oxford Road
Grove Street	Stowe Road
Henry Street	West Main Street

All necessary pruning and removal of dead wood was carried on during the year 1969.

The brush was cut from hazardous roadsides, corners, and curves and removed for disposal.

Forty-five new trees were purchased and planted on the following streets and town roads:

Aldrich Street	Matson Lane
Burbank Street	Millbury Avenue
Grafton Street	Oak Pond Road
J. F. Kennedy Drive	Sullivan Place
Marian Avenue	West Main Street

The Expenditures as follows:

Labor	\$1,365.75
Mass. T. W. & F. Assoc.	2.00
New Equipment	9.16
New Trees	300.00
Repairs	21.68
Tree Removal	2,662.25
Truck Hire	1,215.00

Total Expenditures	\$5,575.84
--------------------	------------

Respectfully submitted,

WILLIAM H. GRAVES

# Report of Board of Health

To the Honorable Board of Selectmen and the Citizens of Millbury:

The Members of the Board of Health respectfully submit the following report for the year 1969.

The Board investigated 185 complaints, inspected 61 new installations and repairs of sewage systems, conducted 23 percolation tests and routine inspections of Food Establishments, Nursing Homes, Rest Home and Overnight cabins during the year.

At Clinics sponsored by our Board 152 pre-school children were vaccinated against small-pox, 76 primary and 135 booster shots for immunization against diphtheria, whooping-cough and tetanus, 86 measles shots and 188 polio drinks were administered.

All contagious diseases are reportable to the Board of Health and during 1969 the following cases were reported:

Chicken-pox	27
Dog bites	154
Other animals	15
German Measles	2
Infectious Hepatitis	8
Mumps	225
Stretococcal Sore Throat	97
Scarlet fever	19
Tuberculosis	2

Licenses and Permits issued:

Funeral Directors	3
Burial Permits	41
Pasteurization of Milk	2
Cleaning Cesspools	6
Installers Permits	17
New Sewerage systems and repairs	52
Plumbing	148
Overnight cabins	1
Food Service Establishments	44

\$1,601.50 in fees were collected and sent to the Town Treasurer.

Respectfully submitted,

FREDERICK P. ELLIS, *Chairman*

WALTER A. WELDON, *Agent*

WILLIAM H. CARON

# Highway Surveyor's Report

To the Honorable Board of Selectmen and the Townspeople of Millbury it gives me great pleasure to submit my Annual Town Report.

## GENERAL HIGHWAY

Under the general highway and permanent road accounts the usual work has been performed. This includes cleaning and sweeping of streets, also cleaning out the catch basins and gutters and general maintenance and patching as necessary.

## SNOW AND ICE ACCOUNT

We were kept busy during the winter season with a number of snow and ice storms and tried to give all sections prompt service. Particular attention was given to sections in which school bus routes are serviced. After every major storm the area of Millbury Center, the churches, and the funeral homes were cleared of snow in a prompt and efficient manner. I feel that all members of the highway department and our local contractors deserve particular praise for service well done.

## CHAPTER 90 CONSTRUCTION GRAFTON STREET

The second section of Grafton Street is still held up pending clearance of land taking procedures. We hope this will be resolved so that we may get an early start this spring to complete this section.

## OILING STREET ACCOUNT

With continued success with our extensive oiling program, we have been able to keep the maintenance costs at a minimum, (especially in these times of rising costs).

The following areas were covered this year, Dorothy Pond section, East Millbury section, Prospect, Grafton and Riverlin sections.

In closing, I would like to thank the personnel in the Highway Department, Local Contractors, and all other Town Departments for their assistance and cooperation that they have given to me in the past year.

Respectfully submitted,

RUSSELL G. GOVER

Highway Surveyor

## HIGHWAY DEPARTMENT INVENTORY 1969

### *General Highway Equipment*

To the Honorable Board of Selectmen:

The activities of this Department are as follows for the year 1969.

Dog bites investigated	154
Other animal bites investigated	15
Bodies of animals on highways	84
Barns and herds inspected	22

Respectfully submitted,

FRANCES M. COLBY

Animal Inspector

# Town Clerk's Report

To the Citizen's of Millbury and the Honorable Board of Selectmen.

I respectfully submit my ninth annual report as Town Clerk.

Once again as we draw a close to a busy year and in reflecting over the past, we feel that we have made great progress in our record administration. The birth records have been completely microfilmed and permanently bound. Our by laws were codified and reprinted for the first time since 1940. The Town Meeting minutes were researched and indexed to provide a quick reference to the records of the town meetings. Research and indexing of Pole Locations is now under way and will be completed in early 1970, as will the microfilming and binding of death records.

It is our hope that during the coming year more research and indexing can be accomplished to provide more accessibility to the records of the past 157 years.

May I take this opportunity to express my sincere thanks to all of the elected and appointed officials in the Town of Millbury for their cooperation throughout the year.

Respectfully submitted,

ORAN DAVID MATSON

Town Clerk

The following is a comparison of vital statistics for the year 1969:

YEAR	BIRTHS	MARRIAGES	DEATHS
1960	221	122	102
1961	217	111	105
1962	193	111	125
1963	217	118	114
1964	193	116	127
1965	215	126	115
1966	192	136	120
1967	182	145	119
1968	194	145	137
1969	*181	*153	*114

\* Complete figures not available.

## Report of the Registrars of Voters

To the Honorable Board of Selectmen and the Citizens of Millbury:

There were 9 special evening sessions and two 12-hour Saturday sessions held to register new voters in addition to daily registrations in the Town Clerk's Office.

The following is a breakdown of registration by precinct prior to the Town Election.

PRECINCT	DEMOCRATS	REPUBLICAN	UNENROLLED	TOTAL
1	902	154	714	1770
2	444	220	584	1248
3	501	198	523	1222
4	514	91	340	945
5	432	107	297	836
Total	2793	770	2458	6021

The following are results of the votes cast in the Annual Town Election, March 8, 1969.

### SELECTMEN (3 Years)

## Report of Gas Inspector

To the Honorable Board of Selectmen and the Citizens of Millbury.

I hereby submit my annual report as Gas Inspector for the year ending December 31, 1969.

During the past year this department has done 127 gas inspections.

All permit fees have been turned into the Town of Millbury.

Respectfully submitted,

ALBERT H. WEST

Gas Inspector

# Report of Millbury Housing Authority

The Millbury Housing Authority herewith presents its annual report for the year ending December 31, 1969.

Having already filed applications with the State Department of Commerce and Development for building a new 40-50 unit apartment project for the elderly in 1968 and 1969, a representative of the same department visited and approved a parcel of land located on South Main Street, now known as the Tebo property. We are now in the process of negotiating for said property.

At the March meeting of 1969, the board reluctantly accepted the resignation of Mr. Frank E. Kawolis, Executive Director.

Mr. Joseph T. Sullivan was appointed Executive Director and Mr. E. Bernard Plante was appointed Assistant Director and Accountant by the board on April 1, 1969.

## *200-1 Veteran's Project*

This project remains fully occupied at the end of its 19th year. It required replacement of several more hot water heaters and routine maintenance during the year. Two coats of paint was applied to all 25 units.

## *667-1 Elderly Project*

This project has completed its 9th full year fully occupied.

A flag pole was donated by the School Department. Its previous location was at the West Millbury School. A flag was donated by Mrs. Blanch Roote, one of our elderly tenants. This was given to Mrs. Roote by the Millbury Woman's Relief Corp.

In December, 1969, a luncheon was given by the Millbury Woman's Club of Miles Street for the elderly of the Lindy Apartments. At that time they also presented them with three card tables and playing cards for the Lindy Apartments' recreation hall.

Improvements: Additional parking area has been added. Resurfacing of present hardtop areas has been completed. A stairway, leading to the office from Maple Street, was replaced. The exterior of all apartments was given two coats of paint.

Mr. Robert Weidman, head maintenance man and Mr. Leo Rogers took care of all necessary maintenance problems for both the Veteran's and Elderly projects.

In 1970, we hope our 40-50 Unit Apartment Project for the Elderly will be under construction.

Respectfully submitted,

Millbury Housing Authority

## Planning Board

To the Honorable Board of Selectmen:

The Millbury Planning Board herewith submits its annual report for the year ending December 31, 1969.

Subdivisions submitted this year amounted to one, of which it was only in the preliminary stage.

During the past year, the Millbury Planning Board has completed the updating of our Master Plan, which included zoning, rezoning for industry, adopted new and stricter subdivision regulations, Capitol Improvement program, also guidelines for establishing priorities. The study has been undertaken in order to update and revise the community facilities and capitol improvements studies of the comprehensive plan for Millbury. Almost without exception, the suggestions of need are those of the departments involved. Better planning and coordination then has existed in the past, must take place in the future if dire consequences are to be avoided.

The Millbury Planning Board is sponsoring an article to hire a professional planning consultant for assistance in long range and continued planning. Two areas would be of prime importance. First would be with the Capitol Improvement program, help with the technical end of it, which

should be a lot easier this time, and because the committee itself should be able to play a larger role.

Second, the town's zoning is full of holes, and in real need of improvement.

Beyond that, we believe two other things are also important, first, building permit data, assessor's records, enrollments and other indicators should be used to annually reassess where the town is and where it is going. Second, when big issues come up, there should be help on hand. Such issue as the High School issue, and relocation of Route 122. There also are issues that are unknown. In this day and age there is dire need for a professional planner to work, not only for the Planning Board, but the whole Town. So with this in mind, we hope that favorable action will be taken on this article.

Capitol improvements study reports are on file with the Board. Anyone desiring one, feel free to call on us.

The Planning Board meetings, are open meetings, held on the second and fourth Monday of each month, unless otherwise notified. They are held in the Selectmen's Room, in the Millbury Town Hall at 7:00 p.m.

The Board again wishes to thank all the Town Departments and citizens for their cooperation throughout the year.

Respectfully submitted,

FRANK J. PISCITELLI, *Chairman*

DONALD P. WAGNER,

*Vice-Chairman*

JOSEPH R. BIANCULLI

JOSEPH LUKASZEK, *Clerk*

GERARD TROTTIER

## Report of Building Inspector

To the Honorable Board of Selectmen:

I, as the Millbury Building Inspector respectfully submit my annual report.

In 1969, the budget for the Office of Building Inspector was set at \$1,400.00 for salaries and \$400.00 for expenses. This Department is self-sufficient.

Building Permits issued as of this date are as follows:		
Amount	Type of occupancy	Est. Cost
37	Single Family Dwellings	\$624,800
45	Dwelling Alterations & Additions	87,341
1	Multi-Dwelling (6 Family)	40,000
9	New & Industrial Additions	73,750
3	Commercial & Business Add.	19,650
6	Swimming Pools	16,350
3	Demolishing Permits	
		<hr/> \$861,891

Applications for building permits can be obtained at the Selectmen's Room from 10 a.m. to 4 p.m. Monday thru Friday, and also by dialing 755-5432 anytime after 6 p.m.

Once again, I would like to thank all for your cooperation throughout the past year.

Respectfully submitted,

FRANK J. PISCITELLI

Building Inspector

## Report of Parks Commission

1970 1

To the citizens of the Town of Millbury and the Honorable Board of Selectmen, we respectfully submit our Annual Town Report for the year ending December 31, 1969.

As we enter a new decade the facts tell their own story of future needs of the community in the area of parks and recreation. Residential growth coupled with more leisure time has placed an ever increasing demand upon the Town's present park and recreational facilities.

This commission has recognized park land acquisition as a high priority item and has sponsored two land purchase articles in Town Warrants since its inception in 1967. The five acre tract adjacent to the Bergstrom Memorial Park on Greenwood Street has been purchased and partially developed with the addition of a parking area overlooking the newly constructed softball diamond. The recently acquired Watkins property has been surveyed and is scheduled for development this spring. This fifteen acre tract in the West Millbury section has unlimited potential, and will be a challenge to develop with respect to preserving specific natural features and still provide the functional facilities associated with a park and playground complex.

To establish better communication with the community and to eliminate deficiencies in the recreational people to people services, the commission conducted a parks and recreational survey in 1968. An analysis of the returned questionnaires clearly indicated that the provision of a public bathing facility within the town was an item of high priority. Privately owned swimming areas in Millbury that had once accommodated the needs of the general public are now restricted, or are unable to comply to the minimum standards for bathing beaches as defined by the Massachusetts Department of Public Health. To alleviate the pressure in this popular summer activity the Parks Commission, through the generosity of the Directors of the Polish National Alliance, conducted a six week beach program at the P.N.A. Pavillion on Dorothy Pond. This venture, despite the adverse weather conditions experienced during the months of July and August, was well received by the community, and gave the townspeople the opportunity to observe and fairly judge the assets of this facility under actual working conditions.

We wish at this time to thank all Town Departments and the people associated with our programs for the cooperation extended us in our endeavor to provide better recreational services to all citizens of the town.

Respectfully submitted,

WILLIAM A. BERTHIAUME,

*Chairman*

WILLIAM J. PRENDIVILLE,

*Clerk*

WILFRED J. DUFOUR

ROLAND M. LACHANCE

CHARLES J. VASSAR, JR.

# Report of Conservation Commission

The Millbury Conservation Commission herewith presents its Annual Report for the year ending 1969.

During the year the Conservation Commission has been active and has acquired several tracts of wetlands for preservation in its natural state.

The Mosquito Control Program, due to a breakdown in the machinery and the retirement of the licensed man who did the spraying, ran into a serious setback but we hope to be available full time again by spring.

The Davidson Wildlife Sanctuary is still available to all who are interested in nature. We soon hope to have another nature walk in the West Millbury area.

In closing the Conservation Commission would like to make aware to all residents who know of natural land for sale or who may like to donate any land to remain in its natural state to contact the Conservation Commission. This appears to be the only way to insure that some natural land will remain for the young people of our Town.

Respectfully submitted,

DONALD J. MONTIGNY,

*Chairman*

ANN ANYON, *Secretary*

JOHN SWEDBERG

KENNETH BOTTY

WESLEY HOWE

# Report of Auditor

I hereby respectfully submit my Financial Statement, Cash Receipts and Cash Expenditures for the year ending December 31, 1969.

I wish to express my thanks for the co-operation I received from all departments during the year.

Respectfully submitted,

JAMES J. CASSIDY

Auditor

# **Report of Blackstone Valley Vocational Regional District School Committee**

The Blackstone Valley Vocational Technical High School is now in its fourth year of operation with (57) students attending from the Town of Millbury.

## **HIGHLIGHTS OF THE YEAR**

**Expansion of the Blackstone Valley Regional Vocational Technical High School:** In the Fall of 1968 the School Committee voted to build an addition that would make it possible to admit more students in September of 1969. The new wing contains four shops, six classrooms, a technical drawing room, a communication skills center, and a guidance office. This will increase our capacity from 360 to 520 pupils and will allow us to accept about 160 freshmen in September of 1970.

**Lincoln Arc Welding Foundation Awards:** Eleven students in the Metal Fabrication department and one in the Plant Maintenance department of the Blackstone Valley Regional Vocational Technical High School, in competition with thousands of students in high schools throughout the country, have received national recognition from the James F. Lincoln Arc Welding Foundation.

These twelve students not only won top honors for themselves but also made it possible for their school to be first in the entire country, even though the school, in its third year of operation, had no seniors to enter the contest.

Our congratulations go out to John H. Childs, Millbury, Second place national grand award, Mechanical; David Obara, Millbury, Sixth place regional award, Home and Recreation; and Gary L. Couture, Millbury, Sixth place regional award, Mechanical.

**Evening Trade Extension Courses:** The evening trade extension courses for adults started Monday, September 29, 1969. These classes are open to persons over 16 years of age who are not attending school and who can show evidence of trade contact with the specific training desired. The following courses were offered: Auto Body Repair, Auto Me-

chanics, Mill and House Carpentry, Electronics, Electrical, Machine Shop, Metal Fabrication, Plan Maintenance, Drafting, Oil Burner Serviceman and Blueprint Reading. A total of 270 adults were enrolled in these courses. The number of students from each of the towns was as follows: 16 from Bellingham, 13 from Blackstone, 14 from Douglas, 16 from Grafton, 13 from Hopedale, 13 from Mendon, 49 from Milford, 14 from Millbury, 11 from Millville, 46 from Northbridge, 6 from Sutton, 30 from Upton and 26 from Uxbridge, and also 13 from out of the District.

Midway through our fourth school year we feel that the Blackstone Valley Regional Vocational Technical High School is operating efficiently and serving the people of the area effectively in several divergent capacities, as shown in the number of students who enrolled in the regular day program and in the adult training program:

1. 438 freshmen, sophomore, junior and senior boys in the day program.
2. 270 men and women in the Evening Trade Extension program.
3. 32 young men in the Automotive Machinist program.
4. 16 young men in the Production Machine Operator program.

Thus we have offered about 756 people the opportunity to further their education and to increase their vocational skills.

At the end of 1969 we feel that the past year was one of satisfactory achievement and we continued to maintain the fine standards set in previous years. The School Committee, staff, and administration all look forward to the graduation of our first senior class as a milestone in the history of the school.

These graduates will be the result of a tremendous amount of work and effort on the part of many people who have given of their time and energy over a period of approximately eight years. We predict that these young men will be a credit to themselves and to all who worked to make this possible.

A summary of Capital and operating expenses for the Town of Millbury for 1970 is listed below.

Town	Capital Assessment	Operating Expenses	Total	Income Chapter 779
------	-----------------------	-----------------------	-------	-----------------------

Millbury	\$10,709.00	\$68,662.00	\$79,371.00	\$43,776.15*
----------	-------------	-------------	-------------	--------------

Net cost to the town — \$35,594.85.

\* Chapter 779 Acts of 1967.

Each town in a regional school district shall continue to receive such state aid for educational purposes as it would be entitled to receive if such district had not been formed; and in addition to such state aid, the state treasurer shall pay annually to each town in a regional school district an amount equal to fifteen percent of the amount of school aid determined to be due such town under the provisions of Chapter 70.

Respectfully submitted,

LEODORE J. TEBO, JR.

School Committeeman

# Report of The School Committee

To the Citizens of Millbury:

The School Committee herewith submits its annual report for the year ending December 31, 1969.

This was an exciting year of change: new personnel, new organizational procedures, and a re-evaluation of our curriculum. Bridges of understanding were cemented between the schools and the community.

The following salary schedule became effective September 3, 1969:

	<i>Minimum</i>	<i>Maximum</i>
(1) Bachelor's Degree .....	\$6,500	\$9,900
(2) Master's Degree .....	7,300	10,700
(3) Master's plus 30 Hrs. ....	8,100	11,500

After long sessions of negotiations with the teachers we were able to arrive at a figure which placed us around the median for schools our size in the Commonwealth. In addition, negotiations with the AFL/CIO for the non-professional staff commenced, all of which added up to many weeks of three long evening meetings each. Your School Committee has become deeply involved in important policy decision for the School Department in an effort to promote the best possible programs for our children at a level of fiscal responsibility which is in keeping with our community resources. We are proud of the entire School Department staff for their professionalism and deep sense of purpose. Our school system has attained new heights of accomplishment which will reflect credit on our community.

The requested budget for 1970 is an approximate 17% increase over 1969. This compares with 29% the previous year. The state has approved reimbursement in the amount of \$311,334 for the year 1969. This amount is returned to the Town Treasurer, not to the School Department.

The School Committee wishes to thank everyone for the generous cooperation given it during the past year.

School Committee

# Report of the Superintendent of Schools

To the School Committee:

I hereby respectfully submit my second annual report and the eightieth in the series of reports of the Millbury school superintendents. The responsibility for providing quality education to all Millbury students has been assumed by the entire professional staff with the charge that each student has a right to the best possible education we can afford to give him. In the light of turbulent changes now taking place in our society, I feel that our entire staff has dedicated itself to this charge and has sought to treat each student as an individual. Underlying all of my remarks in this report is the expression of my appreciation to all of our staff for their cooperation in the past year and a heartfelt "thank-you" for the myriad unsung things accomplished during the year in the best interests of all the students, and the spirit of cooperation and good-will shown by all of the town departments and officials for their team effort. Indeed, town and schools were woven together this past year in a loom of friendship and sharing that was certainly highly gratifying.

### *The Shape of Education on the National Scene, 1969*

Major educational events during the year included the reordering of national priorities in the face of inflation involving congressional appropriations to education; legal decisions concerning immediate rather than gradual school desegregation and the winning of victories in the courts by students seeking greater freedom of self-expression and self-determination in the area of dress codes and participation in school decision-making; task forces established to cope with the serious problems of drug abuse; student and faculty protest of government policy in the Vietnam war; campus rebellions; increased powers of unions in collective bargaining contracts; and the noteworthy charge to all school systems by the U. S. Commissioner of Education, James E. Allen, Jr., to give high priority to improvement of reading instruction. In the light of such tumultuous change — which shows no signs of decreasing in intensity — it is safe to assume that education as we knew it only a few years ago no longer exists. Therefore, new methods need to be found to assimilate this rapid change, adjust to it, and maintain the traditional values of our culture by finding ways of teaching these values in newer guises. Even traditional values have a place in these times of questioning, and the battleground for the newer ideas is in the schools themselves. It remained to schools all over the country to decide for themselves how they would face the gauntlet being thrown: become relevant to the needs of a changing society, or risk alienation, or even complete rejection, by our society. The schools in our country are now in the process of formulating answers to these difficult questions.

### *The Shape of Education on the Local Scene, 1969*

For the Millbury school system, 1969 was a year of consolidation and gradual changeover to a stated objective of the present administration to foster creativity and depth in the basic academic disciplines while recognizing and appreciating the individuality of each student in the school system. A positive climate of change was established through encouragement of pilot-projects in curriculum, increased services provided for the students, and the placing of high priority on reading and various programs to diagnose the needs of our students more accurately. This was possible due to the acquisition of a highly qualified group of teachers to replace those of comparable quality who left our system, and the continued high performance of the staff, both professional and non-professional, remaining from other years. Every aspect of our present program is being evaluated and up-dated through the generous efforts of our staff, and committees have been established to work on various curriculum and other related projects. Much has been accomplished, and much remains to be done, but guidelines have been set and steps already taken.

### *Millbury's Educational Program*

Changes introduced in 1969 in curriculum and personnel were evident on both the elementary and secondary levels, with coordination between both levels maintained through frequent meetings of all administrators with myself to discuss and implement such changes. All staff members have contributed ideas to the overall planning of curriculum, and organizational procedures have been instituted to insure not only the development of these ideas but their evaluation to weed out impractical ideas and support programs which would have the greatest benefit for all of the students.

### *Report of the Elementary Supervisor and Title I Coordinator*

The school year of 1969 has been most eventful and began with the recruitment of teachers for the elementary schools. Physical recruitment was carried out in the following schools: Worcester State College, Anna Maria, Westfield State College, Lesley, Bridgewater State College and the University of Massachusetts. In addition, telephone recruitment was carried out with Boston University and Emerson College. From the efforts of the recruiting team we were in receipt of approximately 200 applications for the 19 positions which were open. After careful screening by the recruiters, names were submitted to the Superintendent of Schools for final processing. We feel that we obtained a quality teacher in all instances for the School Department.

Additional positions have been opened in Art, Reading and the field of Perceptual Handicaps. These positions were carefully considered and were deemed areas for expansion and were so recommended.

Curriculum work continued and committees were established in which Language Arts, Science and Social Studies were examined in detail. From their studies the following recommendations were made:

- (1) that the existing language program should be abandoned;
- (2) that Science should be made a part of the curriculum in grades 1-6;
- (3) that Social Studies should be made a part of the curriculum in grades 1-6;
- (4) that suitable textbooks of the most recent copyrights be purchased toward accomplishing these ends.

After reaching these conclusions, book selection committees were formed and specific textbooks in these areas were recommended to the Superintendent of Schools for final processing. The committees formed remain in existence and are in the process of revising and updating the existing course of study guides.

The reading program continued its use of the Scott, Foresman Reading Series as its basic text, but it was considerably fleshed out by purchasing books for the less able reader and also for the more able reader giving us in effect a three level reading program. Other teaching aids were purchased so that the reading program became a more complete entity than that of the past. In both the Elmwood Street School and the Center School two experimental pilot programs have been established and recommendations will be given to the Superintendent of Schools on the completion of the programs in June. As of January preparations are being made to establish a new look in reading for grades 3 and 4 in Providence Street and Burbank Schools. We have continued with the Hay-Wingo Phonics program for grades 1-3. This program is now in its seventh year of operation and is doing an adequate if not spectacular job of teaching the basics of phonics to the primary children. One of the innovative projects that we have established in reading is the Title I Program which has been instituted to give extra help to children who have been tested and found to be educationally deprived.

New report cards have been adopted with the idea in mind of giving a more comprehensive report to the parents of the children in

grades 1-6. These report cards deal in much more detail than the previous card which we used.

In keeping with the idea of more participation by parents we invited parents into the schools on three separate occasions during the fall of 1969. The first invitation was to a Parent's Night in which the parent followed a typical day schedule for their child. The second invitation extended was to attend the schools during the teachers' work day as an observer. The third invitation was to individual parental conferences in regard to their child's progress in school. All of these worked out to the mutual benefit of the child, parent and teacher. All were very well attended with the exception of the day class visit.

The extended school day for teachers has given certain benefits to the school system in the elementary schools in that with the availability of time curriculum work can be carried out, individual schools can carry out weekly teachers' meetings, general meetings can be planned and, with more importance than all others, individual help can be given to children. The problem of administration of this has been difficult since, as with any new program of this nature, it must have a trial period in which adjustments can be recommended so that its ultimate success can be achieved.

In summary I feel that the year 1969 was a year of adjustment in which the elementary schools in Millbury were redesigned for a more individualized approach to the learning process for all of our pupils. This process should continue in the future so that in the ultimate we will be giving the pupils in our schools the best education that we can humanly and financially give them for their greater success in today's world.

The Title I Program for the Millbury School System under P.L. 89-10 E.S.E.A. continued in its fourth year during 1969. The program actually consisted of three parts — a spring program, a summer program and a fall and winter program. The monies used were obtained through application to the State Department of Education under the above law.

The most significant programs which we operated were the spring and the fall-winter programs which were designed to give individual or small group aid to children who have learning difficulties in the areas of reading and arithmetic. Toward the end of giving this aid we employed seven classroom teachers who because of circumstances did not wish to work a full teaching day. These teachers worked closely with the classroom teacher in determining the individual needs of each child who was to be included in the program. The child was then given the help which had been recommended by the classroom teacher. All children were given Metropolitan Achievement Tests as pre-tests and post-tests. All gains were significant and I feel that the expense was more than justified.

The summer program operated as a summer school and even though the children were screened carefully, attendance fluctuated irregularly. This program dealt with a small class approach in which it was in effect an extension of their regular classroom work. The stress in this case was not on relearning previously taught material, but on the concept of a general review of previously taught material. Included in the summer program were three field trips — one to the Science Museum in Cambridge, one to the Fruitlands Museum in Harvard and one to Plimoth Plantation in Plymouth. These were very beneficial to the children. Of the 160 children who

attended the school, more than three-fourths were able to attend the field trips.

### *Reading Program, Grades 1-12*

#### *Background*

The present reading program consists of a classroom structured lesson in grades 1-6, a special reading teacher for the Junior High School and a reading involvement by the English teachers in grades 8-12. The elementary program is supplemented by a Title I program using 7 special reading teachers for five mornings a week.

The recent changes and increased pressure for achievement and research at the higher academic levels of education have made speed and the acquisition of more than adequate study skills a necessity. The recent changes in learning media have given the younger child a different kind of knowledge and have required a learning process other than that maintained previously by school structures. Consequently reading is being reconsidered in the light of such development.

#### *Major objectives*

1. To teach and improve the reading skills of the slow, average and gifted learner.
2. To facilitate the use of reading as a tool subject for acquiring knowledge and sharing it through communication.
3. To individualize this learning wherever possible so that each child may reach his full potential in any area through the use of reading and communication media related to it.
4. To provide the teachers with a pliable program, adequate for their needs, free enough for their creativity, and reliable enough for their security.

Groups are being considered for concentration on developmental aspects of reading. A survey has been begun with the intent to determine to what extent reading may become a more integral part of all subject areas.

#### *Innovative aspects of the program*

1. Pilot projects already begun in grades 4 and 5 are being extended to grades 3 and 6. These will use the multi-level and team teaching structures adapted to the Scott, Foresman program already in the system. Other publishers, Ginn and the Alpha One phonics presentations, will be tried experimentally.
2. It is hoped that testing will follow the completion of each reading level as it is completed by the class teacher. These are a part of both the Ginn and Scott, Foresman programs.
3. A coordination of the teaching materials and machines presently used in the system with an elementary and secondary reading laboratory, each serving as a source for reading diagnosis and improvement.
4. A closed circuit VTR system for both teaching and testing in the reading area.
5. An elaboration of the already established "21 inch classroom" programs already established in the elementary school and an extension of this into secondary where it may be beneficial.

## *Art*

With the addition of another art teacher at the elementary level, the art program has expanded to include weekly rather than bi-weekly visits as in previous years. Projects are correlated with all school subjects in an attempt to make art more meaningful and to develop in our children critical abilities in seeing visual relationships and appreciating one's environment. Art experiences are chosen and organized in many media and are organized with different emphases and degrees of complexity depending upon the particular grade level. The main objective is creativity so that the art experience is more personally satisfying for each student.

## *Speech*

The speech therapy program of the Millbury school department for the 1969-1970 school year is conducted on a full time basis. The basis of the program has been set in the four previous years that the program has been in operation. The aim continues to be a service provided for those children on the elementary school level who have any type of speech difficulty.

The caseload for the 1969-1970 school year totals 92 children: Elmwood Street — 47; Center-Union — 16; Burbank — 7; Providence Street — 8; Dorothy Manor — 7; and East Millbury — 7. The children are visited twice weekly during twenty minute sessions for group therapy. In addition to group therapy, five children are also seen on an individual basis as their problems require additional service. The waiting list presently includes 47 children.

The children included in the program were selected by two methods: first, teachers in grades two to six referred children to be tested who they felt were in need of special help in speech; secondly, all children in the first grade and those who were new to the school system were tested. Two types of tests were employed: 1) Templin-Darley Test of Articulation, for the upper grade levels; 2) Van Riper's Screening Test, for the children in first grade. The purpose of this test being to separate those children whose speech difficulties would be eliminated through maturation from those who are in need of special help.

The speech problems of those children included in the program are primarily articulation difficulties. Other areas that the program is presently working with are: stuttering — 1; cleft palate — 2, cerebral palsy — 1.

The facilities which are available for the speech program include a mirror-blackboard combination in each of the schools, a language master, and a recorder and tapes.

## *Music, Grades 1-12*

All pupils in grade three at Elmwood Street School are taking part in Flutophone lessons. Other elementary schools have this instruction in grade four. Instrumental instruction on band instruments is provided in grade four with a few selected students taking part in grade three. This is taking place at Elmwood Street School where a violin class is also being formed. The band program at Elmwood Street School consists of thirty instrumentalists. I am hoping that this group will be ready to perform during one of our spring concerts.

Millbury has sufficient musical talent to compare with any other

town of its size. We intend to offer as much musical instruction to as many people as possible that are willing to join our music program.

Instrumental music in the Junior-Senior High School has grown both in numbers and the quality of the musicians. Many of our high school students are members of other fine musical organizations in the Worcester area.

Eight of our high school students auditioned for the Massachusetts Central District Festival. All eight were accepted, out of which five were recommended to audition for the All-State Festival. Accepted to play in the band were: Gordon Gover, Alto Sax; Pamela Van-Ostrand, Clarinet; Susan Andresano, Clarinet. Accepted to play in the orchestra were: Amelia Sachetto, Oboe; Christine Doud, Timpani; Audrey Slivka, Violin. Accepted to sing in the district chorus were: Sylvia Riendeau, Soprano; Philip Brown, Bass. I consider this a fine representation of the high caliber of talent and interest in our town.

Our high school band and chorus prepared a Christmas concert, held December 19, 1969. Our band also takes part in all home football games, plus the Thanksgiving game. Other band activities include football rallies, Memorial Day parades and assemblies. The high school chorus takes part in our Christmas Concert plus assemblies and our spring concert.

We have fifty-five pupils in grades 7-12 taking part in our instrumental program and thirty-five in 9-12 taking part in our vocal program.

We should be looking ahead to more offerings in the way of music appreciation and classes of this type in our high school.

The Center-Union Glee Club prepared a Christmas Concert on December 22nd. There are about thirty members in the Glee Club at this time. In the Center-Union Band there are thirty-five members.

### *Physical Education*

Physical education is required in all grades and we are making every effort to meet these state minimum requirements. Each grade meets once a week with a trained physical education teacher. Programs at the elementary level include: rhythmic activities, locomotion activities, skills and sports fundamentals, calisthenics, and gymnastics and tumbling. At the high school level games of higher organization are included, various sport skills and physical fitness events, and a leadership program. An intra-mural program for girls has been offered in the high school and received with great enthusiasm. A great part of the success of our physical education program is due to an excellent staff and the fact that Millbury has provided the necessary equipment to develop our students.

### *Special Education*

All children regardless of their abilities and disabilities are entitled to an educational program which enables them to advance academically and to become productive members of society. The educable retarded child has a limited ability to learn the basic academics of reading, writing and arithmetic. Therefore, in order to meet the educational and social needs of these children, a Primary Special Class for Educable Retarded Children was established in the Millbury School System in September, 1968.

The Primary Special Class is located in Room 6 of the Elmwood Street School. At present the class consists of ten children, five boys and five girls, ranging in age from seven to thirteen years. The children follow a regular school day schedule. They have recess and lunch periods with children of other grades.

The classroom is equipped with cooking and sewing facilities. This equipment is used during a weekly domestic arts period in which Mrs. Francis Perry is the supervising teacher. The children also have a special music period with Miss Marie Eaton, art with Mrs. Marjorie Go, and physical education with Mr. Robert Muir. Four youngsters also attend speech therapy classes with Miss Carole Dennis.

Because these children have a limited academic learning ability, their academic achievement falls below that of children their own age. This Special Class is structured so that each child may learn academic skills at his own rate. Many of the lessons are given on an individual level. Therefore a child is only competing with himself rather than the entire class. This individual attention can be given because of the small class size.

The administration and the people of the Town of Millbury have shown interest and concern for these children. Many materials and equipment have been provided for this class. Therefore these youngsters have been given the opportunity to learn and hopefully to become productive members of society.

The Special Class for Trainable Mentally Retarded children consists of all girls ranging from ages eight to seventeen years of age.

The trainable retarded child is handicapped by moderate mental subnormality. He may suffer from physical handicaps as well and is often limited by a combination of deficiencies. For this reason, the Special Class program is geared to the particular problems of each child. Much of their learning is taught individually because of their physical as well as their mental differences.

This child needs a program which covers areas of life which are common to all. They need to learn about living in order that active participation in every day life may become their goal.

This year two occupational skills such as cooking and sewing have been added to their program. Here they learn simple culinary skills such as measuring, stirring and baking. They also learn to follow a recipe, prepare a simple meal and to operate a sewing machine.

With the knowledge of these skills, they will be able to become a useful and helpful member of their families in their homes which is where most of their lifetime will be spent.

A new program for perceptually handicapped children began this year. This past summer children referred by teachers in the first three grades were tested and material sent to the State Department of Education.

As of this time twelve children are accepted by the State into our program. These children are in all five elementary schools and are being seen two or three times a week for an hour.

Materials have been ordered which will aid the children in the visual, auditory, kinesthetic and motor areas.

Perceptually handicapped has been defined as a lag in the neuro-physiological development of a child. The results of this may be seen when a child exhibits problems in balance and posture, body image and differentiation, perceptual motor match, ocular control, and perception of forms. This shows up when the child enters school and is presented the visual and motor problems of reading and writing.

Children have to be tested to evaluate how they may communicate best and by what routes. Information is received in various combinations of sensory input and response output. Tests are administered in areas involving decoding, auditory reception, visual reception, auditory-vocal association, visual-motor association, encoding (vocal and motor). Tests of discrimination, blending, closure and sequential memory can also be used.

When particular areas of deficits have been identified the teacher may then select the appropriate materials for remediation. Each child is treated and worked with as an individual in an individual program.

A committee has been formed to serve as resource personnel within the system. It is hoped that, as we all learn more about the material and how to use it for these children, more children will benefit by this knowledge. With this in mind, we are looking forward to a time not too distant when we will have an inservice training program available.

The Opportunity Class under Mr. McGrail at the high school was integrated in many areas of the high school curriculum in such areas as shop, home economics, music, art and regular academic subjects as well. In addition, plans were being formulated for an extensive program for work-study experiences for these students. This program will develop during 1970.

### *Operation of the New Elmwood Street School*

Our newest member on Millbury's educational team, the Elmwood Street School, settled into its first full year of operation with confidence and everyone's best wishes. It has indeed been a busy place as the following report from Mr. Kelton Johnson, the principal of Elmwood Street building, indicates:

Parents' Night was held at the school on October 9, 1969. Over three hundred people were able to visit our new school and see the facilities and equipment that are being used by all the teachers to stimulate and motivate your children in their educational growth. The complete staff and myself were all greatly pleased at the excellent comments that you, the people of Millbury, expressed about your new school. So that all the children's parents could visit the schools to have a personal conference with their children's teachers, Wednesday afternoons were set aside for personal parent-teacher conferences. In addition school was closed on Wednesday, November 19, at noon, to allow parents to visit this school for personal conferences with the teachers. Over five hundred and forty of the children's parents attended these personal conferences with the teachers.

Under the direction of Mr. Muir, our physical education instructor, we are able to offer a complete Physical Education Program to all our children which is designed for the purpose of developing at an early age sound physical growth and development as well as a chance to play various games under the supervision of a qualified instructor.

We are able to offer to the children an excellent academic program which is enhanced by the use of the audio-visual machines and the new books and materials that have been provided for the children of Millbury. Having numerous grades at each level has brought about meetings of the teachers of each grade level to discuss various new techniques and better ways to present and offer the material to the children. These grade level meetings have also produced many ideas of upgrading the individual child's development.

We have, this year, set up a private project in reading for the fourth grade. This new reading program will give to the child more of the teacher's time to help him with any difficulties that he may incur. The teachers are all very enthusiastic about this new reading program and we are presently planning to expand it into the third grade at the beginning of the second half of the year .

Through qualified specialists in the field of guidance, speech, and reading, we are able to offer to all of the elementary children of Millbury help with various educational problems that they might have. These children are recommended to the specialists on a referral basis, usually by the classroom teacher or the principal. All of the children that are referred for special help are either tested or evaluated by the individual specialist at an informal conference to see what specific type of help can be given to the child to upgrade him educationally.

The teachers of all grades are making excellent use of the audio-visual aid equipment in the building. Aids such as tape recorders, overhead projectors, tachistoscope language master, and filmstrip and slide projectors, as well as the Educational 21" Classroom are in common use throughout all the rooms. Our closed circuit TV system has been installed and has been in use in our school, as well as in the High School and Center School.

We are especially fortunate to have a library included in our physical plant which is fully equipped with the best in children's literature and research material and is spacious enough to allow full use by each student and teacher in a school of this size. A library schedule is currently in operation for all classes in the building and each individual classroom draws from the main library for room libraries on a rotating basis.

There has been a major change in the town's elementary cafeteria program. This year, the cafeteria staff at Elmwood Street School is preparing and providing a hot lunch program to all the outlying elementary schools in Millbury. Children who last year went home for lunch are now able to get a hot lunch at school. This means that the cafeteria has to prepare approximately 1100 lunches which are then transported in a special van to the other schools.

The setting up of special committees in the areas of language, social studies, science and curriculum development led to the development of a specific curriculum in each of these areas. New books were also purchased due to the committees' suggestions.

A new report card was developed in the elementary grades in order to communicate to the parents as much information as possible about each child.

In conclusion, it is apparent that many progressive changes were accomplished during the last school year.

### *Elementary Library Service*

The Elmwood Street School library has a collection of 3200 volumes. 1700 volumes are housed in and circulated from the resource center; the remainder of the books have been placed in classroom collections. All audio-visual materials are stored and circulated from the resource center.

The librarian is working closely with the fourth grade teachers and their reading program, either by teaching library and reference skills to the classes or by assisting teachers in arranging their library programs.

The students have weekly library periods. The programs followed depends on the grade. Stories are read, book talks are given, library and reference skills are taught, and books are chosen for home reading.

The children are encouraged to use the library throughout the day either individually or in small groups for pleasure reading or research. The students are given individual help in using research material and in reading guidance.

Third and fourth grade students are trained to handle routine library procedures. These library assistants charge out materials, shelf books, arrange exhibits, and decorate bulletin boards.

The school library program means instruction, service and activities throughout the entire school.

### *Center School and the Other Satellite Schools*

In addition to the excitement of a new school last year, I would like to take specific pains to emphasize that education of similar enthusiasm and dedication were in evidence at the other buildings as well. A building is only a shell; the important thing is to determine how effective the staff is and how well-equipped the classrooms are. The older buildings are, unfortunately, in tired shape as pointed out in the Engelhardt report, but at least we can all be proud of our staff and the quality of our instructional materials.

This year, an innovative, far-reaching comprehensive reading program was started in the fifth grade. The students are grouped homogeneously for this subject, giving the full benefit of individual instruction, group instruction as well as team teaching to allow both the students and the teachers the full utilization of resources and materials.

Throughout the period of individualized sessions, the students were working on special interests, ranging over the whole curriculum and almost all knowledge. When the subject matter had been selected, the students studied sources for answers. When their questions have been answered, their discoveries and accomplishments are shared. This sharing may be experienced between rooms as well as between buildings, thus giving all fifth grades the full benefit of each student's resource experience.

The group sessions provided for a steady growth in reading skills and abilities, basic understandings of language, attitudes, habits and interests, appreciation and tastes. This was accomplished by all pupils reacting to and reading the same materials in their own group at the same time — usually a basic reader. Throughout the program

supplementary reading materials adaptable to the pupil's reading ability and interest level will be used to secure the pupil's newly acquired reading skills.

Team teaching will be used throughout the comprehensive reading program. Team teaching will occur when two or more teachers accept joint responsibility for instructing a group of children.

During the first week of school, Part A of the Iowa Silent Reading Test was given. Part B will be given during the last month of school, enabling us to make a special analysis and evaluation of this whole program. Based on the results of this evaluation, we will make a decision as to the feasibility of using this reading program in the sixth grade next year. With this accomplished, we will then have a non-graded reading program for all of the fifth and sixth grades in the Town of Millbury, thus enabling the students to advance according to their own individual reading abilities.

Due to the efforts of Miss Hill, we were able to augment our program with two very interesting special events. Mr. George Cocaine, Staff Photographer from the Telegram and Gazette gave a very interesting and instructive talk on Greece. He utilized his fine slides and did a very adequate job of reaching the level of the children.

Mr. Bisel, a cartoonist from the Telegram and Gazette, gave a very instructive talk to the children and judged the fine cartoons that had been drawn by the students.

On October 30th, the students of Grade 6J made Halloween (cat) table favors for the patients at the Smith Nursing Home. They enjoyed doing this so much that now they are in the process of making muffs and trees to send for Christmas. Miss Martel's pupils at Union School are doing the same for the Pine Grove Rest Home.

In the early spring, we took our annual trip to Old Sturbridge Village. The 220 members of the sixth grade made the trip. Here the past comes alive through the authentic recreations of actual New England living and working restorations. The children are given the opportunity to actually participate in the various activities. I would like to thank the gracious parents who gave us their time to chaperone the youngsters. We are looking forward to this trip again this school year.

Field trips were also taken to the General Motors Plant, the Boston Science Museum and the plant of the Worcester Telegram and Gazette newspapers.

As in other years, we have added to our list of books in the central library. It is felt that we now have a selection of books that comes very close to serving each grade level and each subject area covered by the curriculum. Also, this year we were able to take advantage of a very special offer, enabling us to obtain paper back books to supplement our library. This library offers all children personal reading enrichment. The low achiever and reluctant readers have found titles to help us spur their interest as well as the average and superior students to use all materials available to them.

### *Secondary Program, Grades 7-12*

Enrollment pressures and inadequate facilities highlighted the professional report by the Engelhardt firm, and it was certainly in evidence to any casual observer who visited the high school. Our needs

are crucial in this area. Program has already had to be re-evaluated, and in Septetmber, 1970 we are going on a staggered schedule with junior high students arriving at school at a later time in the morning. The entire professional staff and I feel that recommendations to the town about this situation need to be considered seriously.

Citizens generally, and parents in particular, are very much interested in learning what happens to our students after they have completed their high school training. Statistics indicate that an increasing number of graduates are furthering their education. The following profile shows the educational and vocational plans of the young people who were graduated in 1969:

<i>Intention</i>	<i>Number of Students</i>	<i>% of Class Total</i>
1. Four Year College	42	26.92
2. Junior College	14	8.97
3. Health Sciences	11	7.05
4. Business Schools	4	2.56
5. Technical and Trade Institutes	15	9.61
6. Barbering and Hairdressing Schools	5	3.26
7. Post-Graduates	4	2.56
8. Military Service	12	7.68
9. Clerical Positions	17	10.89
10. Employment	32	20.50
	156	100.00

The State College enrollments include four at Bridgewater, one at Fitchburg, two at Lowell, one at Massachusetts College of Art, two at Salem and thirteen at Worcester. One graduate registered at the University of Massachusetts. There are the following enrollments at privately endowed and out-of-state colleges: Three at the College of the Holy Cross; two at Worcester Polytechnic Institute; two at the University of Hartford; and one each at Anna Maria College, Assumption College, Babson Institute, Clark University, Culver-Stockton College, Emmanuel College, Jackson College, Nichols College, Saint Joseph's College, University of Connecticut and University of New Hampshire.

At junior colleges, technical schools and business schools, registrations include six at Worcester Boys' Trade Post-High program, six at Worcester Industrial Technical Institute; five at Quinsigamond Community College; five at Worcester Junior College; three at Stockbridge School of Agriculture; and one each at City College of San Francisco, Salter Secretarial School and Wentworth Institute.

In three-year diploma programs of nursing, three students enrolled at the Memorial Hospital School of Nursing, one each at the Burbank Hospital, Hahnemann and Worcester City Hospital Schools. Two girls were accepted for the baccalaureate program in nursing at the State College at Lowell. Four students are studying Practical Nursing at the David Hale Fanning Trade High School and one at Burbank Hospital.

It is most fortunate that our students continue to be accepted at schools and colleges which are their first choice. Their acceptance depends in some measure upon their own self-evaluation of their personal abilities, ahievement and needs in the light of data available

for colleges to which they wish to apply. The majority seek financial assistance for which the completion of the Parents' Confidential Statement is a prerequisite. Several have received help through scholarships, grants, loans and work-study programs. It is important for students and their parents to realize that grants are not generally made on need alone. Scholastic achievement, rank in class and college board scores have a profound influence upon decisions relative to the granting of financial aid.

Another important aspect of guidance is the testing program. In grades one through six, Metropolitan Achievement Tests have been administered each year. General ability tests have been given in grades two, four and six. Because some of the test materials used in the past are no longer available and other materials are being changed and updated, the program is presently being assessed and will be changed somewhat in the coming year.

In grade seven the Iowa Tests of Basic Skills have been used for some time. Since these do not correlate closely with test materials used in other grades, a revision of the program is also planned for this grade.

In grade eight the High School Placement battery which includes a general ability test has already been administered. The Differential Aptitude Tests have also been given. The results of these two batteries are helpful in counseling students in their choice of a program of studies. They are used also for placement purposes.

In grade ten the Iowa Tests of Educational Development and a Test of General Ability have been administered. Any junior who did not participate in the program last year was tested this year.

In grade eleven involvement in testing programs is on a purely voluntary basis. Any junior may complete the Kuder Preference Record. Thirty-three took the Preliminary Scholastic Aptitude Test in October. The National Merit Scholarship Qualifying Test will be administered in February. Juniors are urged to take College Entrance Examination Board tests in May; some choose to write them in July.

Last February twenty-five members of the present senior class participated in the NHSQT; three students earned Letters of Commendation. In May, sixty-four took the college entrance Scholastic Aptitude Test and fifty-two wrote one or more Achievement Tests. In the present school year eighteen seniors took the college board Scholastic Aptitude Test in November. Many students did write both the aptitude and achievement tests in December and others will be participating in the January tests. A few may be taking the achievement tests in March.

Personnel from the Admissions Office of nearby and distant schools and colleges come to the guidance office by appointment. Usually the college representatives meet with the guidance counselors to discuss recent developments and program changes at their particular college. They will talk with an individual student who has expressed an interest in the school they represent. If several students are interested in the same school, in a special career such as nursing, or in the training programs and employment opportunities of certain companies, group meetings are arranged.

Representatives of business firms who are seeking clerical help meet with students in the Office Practice Class to discuss business

careers, job opportunities and employees' benefits. Personnel officers strongly urge that students visit their office to get first-hand a view of the operation and working conditions before they make application for training or employment.

Recruiters of various branches of the Armed Services visit the school to talk with seniors, who come on a completely voluntary basis to the group meetings which are held in the Guidance Office. At present there appears to be only a slight interest in the Service programs.

Another aspect of the guidance program is counseling. There is one counselor for grades one through six; one for grades seven and eight and two besides the director at the senior high level. For the most part the counselor meets with the individual pupil. At the elementary and junior high school levels there are group discussions. At the senior high school group meetings are held only when the meeting is the most convenient, expedient and time-saving method of getting specific information to several people.

When, from the group meeting or personal interview, there are indications that personnel in special services may be able to give assistance in the working out of a problem, a referral is made to the appropriate agency. When necessary, after preliminary preparations have been completed, a problem may be discussed by the Child Study Group which meets once a month. In the study group are school personnel — superintendent, principals, teachers, counselors, nurses, physician, supervisors — and a social worker from the Milford Mental Health Center. The Milford Center is presently providing family centered school consultation service to the towns of Bellingham, Blackstone, Douglas, Franklin, Grafton, Hopedale, Medway, Mendon, Milford, Millbury, Millville, Northbridge, Sutton, Upton, and Uxbridge. The fifteen town areas was set up by the state for the implementation of programs for the emotionally disturbed and the intellectually handicapped child. Outside referrals are made to the Youth Guidance Clinic, the Division of Child Guardianship, the Massachusetts Rehabilitation Commission, the Massachusetts State Employment Service and to any other agency that may be able to give assistance in a particular situation.

Another important phase of guidance work is our contact with parents. Their help and understanding are necessary as we work with young people. In the past year parents had the opportunity on four nights (two in January and two in February) to come in to talk with the secondary school counselors and principals about their child's school achievement, his educational plans and any other problem which the parents might wish to discuss. In March, a College Preparation Preview Program was held for juniors and their parents so that both parents and students might be alerted to college board tests, financial aid problems and entrance requirements for several types of colleges. In this school year the counselors at both the elementary and secondary levels had the opportunity to speak with parents on Back-to-School Night and on the two parents' Conference Days.

Whenever necessary the counselors contact parents by telephone. Parents should feel free to telephone to the counselors at any time to discuss their child, his school progress and any related problems. If the case cannot be resolved on the telephone, conference time will be established at the convenience of the parents so that they may come to the school to discuss the situation.

The Guidance Department tries to give assistance to the teachers who work in the every day classroom situation with the students. A counselor meets as soon as possible with a student whom a teacher refers. The counselors have sought the aid of the classroom teachers on many occasions in making program adjustments, in getting material for college applications, and in checking on progress of pupils referred. The classroom teachers have been very willing to give assistance; the guidance department wishes to acknowledge their kindness and to express its sincere appreciation.

The guidance office has the latest catalogues for all colleges to which students have been making applications in recent years. If a catalogue is not in the files, an order is placed as soon as any student indicates an interest in a particular school. The department offerings were abetted this year by the addition of the College Entrance View Deck and the two-volume encyclopedia of Careers and Vocational Guidance. Monthly monographs from Careers and Chronicle Guidance Service provide up-dated information on new or changing careers. Students are welcome to come to the guidance office whenever they have free time to use the catalogues and view deck or to make an appointment for a conference with one of the counselors.

The counselor tries to help the student to adjust to his present situation, to cope with his problems and to plan for his future in line with his interests, his needs and his ability. Parents and teachers are of necessity the helpmates of the counselors. Staff members are grateful for all the assistance accorded to them. Only with such co-operation can the staff hope to give students the necessary direction and service.

Opportunities have been made for parent-teacher visitations and invitations were extended to all interested parents to meet with the principal, guidance counselors, and teachers concerning the work of their children. The entire staff sincerely appreciates the enthusiasm and support demonstrated by so many parents in our community for the high school program, particularly in these changing times when programs change, courts tie the hands of school authorities with regard to methods of student self-expression, and increasing enrollments affect our pupil-teacher ratios.

The following members of the Class of 1970 were elected to the local chapter of the National Honor Society: Steven W. Bekier, Philip H. Brown, George P. Cammuso, William G. Holmes, John A. Huchowski, Joseph B. Kacevich, Linda R. Mangano, Mary E. Norton, Ann C. O'Brien (President), Sylvia H. Riendeau, Raymond T. Roach, Thea M. Silun, Cynthia J. Woll.

Scholarships and awards presented on Class Day included: Millbury Woman's Club—\$150 each, Kathleen Brady, Beth Lacouture; Millbury Credit Union—\$150, Kathleen Brady; American Legion Auxiliary—\$100, Kathleen Brady; American Legion Devoe-Taylor Post No. 9—\$50, Beth Lacouture; Dorothy Manor Mothers' Club—\$100, Deborah Szkutak; West Millbury Social Union—\$100, Jeffrey Stockwell; Millbury Athletic Association—\$250, John K. McArdle; Dr. Marcus M. Henneberry Memorial—\$100, Robert Weidman; Millbury Memorial High School Faculty—\$200 each, Mary A. Graves, Kenneth Bekier, Beth Lacouture, Maureen McSheehy; Millbury Memorial High School Student Body—\$100 each, Kathleen Brady, Robert Picard; Millbury Memorial High School Class of 1968—\$225 each, Linwood Frantum, Elaine Dunn, Kathleen Brady, Sandra Taraskie-

wicz; Millbury Memorial High School Dramatic Club—\$100, Deborah Szkutak; Raymond E. Shaw Memorial-National Honor Society and Student Council—\$100, Maureen McSheehy; United Steel Workers of America CIO—\$500, Martha Sisco; D.A.R. Good Citizenship Certificate, Kathleen Brady; Student Government Representative Award, John K. McArdle; Science Club Award, Janice Lindstrom; Outstanding Home Economics Student, Janice Lindstrom; Underwood Award of Merit to the Outstanding Business Education Student, Genevieve St. Germain; Dr. John Robert Gregg Shorthand Memorial Award, Christine Graber; Underwood Best Typist Award, Sheila McLaughlin; Outstanding Bookkeeping Student, Sandra Paille; Reader's Digest Award to the Valedictorian of the Graduating Class, Janice Lindstrom.

The Millbury Memorial High School Dramatic Club, under the direction of Robert Miles and his competent staff, presented the comedy "Barefoot in the Park" to a highly appreciative audience.

The graduation program for the Class of 1969 was beautifully conceived and presented:

#### GRADUATION CLASS OF 1969

Processional .....	Graduating Class
Invocation .....	Rev. Msgr. Mederic J. Roberts
Give Me Your Tired, Your Poor .....	<i>Berlin-Lazarus</i>
Chorus	
Conformity vs. Nonconformity .....	George Gosselin
Commitment .....	Ellen Church
Poverty .....	Constance Krula
Feminine Revolution .....	Janice Lindstrom
Green Cathedral .....	<i>Hahn-Johnstone</i>
Chorus	
Presentation of Diplomas .....	Mr. James F. Fitzpatrick
Recessional .....	Graduates
Director of Music .....	Mr. Rocco G. Bruno
Accompanist .....	Robert Erickson

#### TRANSFERS

Name	From	To	Date
Mary Lukaszek	Union	Elmwood St.	Sept. 3, 1969
Eouise Martel	Dorothy Manor	Center-Union	Sept. 3, 1969
Richard D. McGrail	Elmwood St.	Jr.-Sr. High	Sept. 3, 1969

#### RETIREMENTS

Name	School	Date
Alice G. Donohue	Jr.-Sr. High	June 20, 1969
Diana Hill	Center-Union	June 20, 1969

#### *Retirements*

During 1969, Millbury paid tribute to two retiring teachers who epitomized the competence, enthusiasm and dedication of master teachers. It is always difficult to wish "bon-voyage" to people who have contributed so much to our school system as they enter now a new phase of their lives. But so it must be, and it is with feelings of gratitude and pride that we remember the contributions of Alice Donohue, who taught in Millbury from 1924 to 1969 and also guided the Department of Mathematics at the Millbury Jr.-Sr. High School, and Diana Hill who served as teacher-principal at the Dorothy Manor School and also taught at the Junior High and Center Schools from 1921 to 1969, as well as contributing so much to the civic life of our community. To these two teachers, "thank you" for the pleasure of your association and best wishes for the future.

#### *Conclusion*

May I take this opportunity to express my appreciation to everyone on the staff, to the town officials who helped us to develop our concept of "community schools" and gave unstintingly of their time and cooperation in the best interests of our town, to the students themselves who are the torchbearers of tomorrow's society, and to the parents and citizens of Millbury who are participating in school-

related activities for their understanding of the changes taking place in our society today. The team effort shown by everyone has been rewarding to the fullest degree. Let's continue to build now on the foundations we have laid for the betterment of our community, and the healthy growth of each individual student.

Respectfully submitted,

IRWIN C. ELKINS

Superintendent of Schools

ATTENDANCE STATISTICS, 1968-1969

# Report of the Finance Committee

To the Citizens of Millbury:

The Finance Committee hereby respectfully submits its annual report and recommendations. We feel that the following items should be given serious consideration by the citizens of the Town of Millbury:

1. SCHOOL COSTS CONTINUE TO SOAR. This year's budget increased by approximately \$254,970.00, which is a 17% increase over last year. This represents 50.66% of the total increase over the 1969 total appropriations.
2. POLICE BUDGET INCREASED BY \$35,701.00, which is a 33.68% increase over last year. It is the opinion of the Finance Committee that, in order to efficiently administer such an important department affecting the safety of the town, the Chief of Police should be required to devote his entire concentration to the professional and efficient operation of the department.
3. The Finance Committee feel that THE ESTIMATED COST OF THE MUNICIPAL BUILDING AS PRESENTED IS TOO HIGH. We also feel that the present critical need is for new police quarters.
4. IT IS TIME THE STATE LEGISLATORS COME TO THE AID OF THE PROPERTY OWNERS by deriving new revenues to pay for the mandatory programs instituted by this body.
5. ALL THE TOWNSPEOPLE ARE URGED TO SUPPORT THE CHARTER STUDY COMMISSION in their effort to modernize our form of government from the MAYFLOWER COMPACT to the JET AGE.

Respectfully submitted,

HAROLD F. OSTROWSKI, *Chairman*

RONALD A. STEAD, *Vice-Chairman*

WARREN T. SENECA, *Clerk*

JONATHAN W. WINDLE

THOMAS H. MALONEY

ROBERT J. RUDGE

SYLVIO E. BOURDEAU

RICHARD W. KENDRICK

JAMES F. HAYES

# GENERAL GOVERNMENT

	Appropriated 1969	Recommended 1970

# Town Warrant

To either of the Constables of the Town of Millbury, in the County of Worcester.

## GREETINGS:

In the name of the Commonwealth of Massachusetts, you are directed to notify and warn the inhabitants of the Town of Millbury qualified to vote in election and town affairs to meet at their respective voting places to wit: Precinct No. 1 at the Town Hall; Precinct No. 2 at Elmwood Street School; Precinct No. 3 at the Memorial High School; Precinct No. 4 at Dorothy Manor School; and Precinct No. 5 at the East Millbury School on Saturday the fourteenth day of March, next at 8:00 in the forenoon, to elect the following officers to wit:

ARTICLE 1. To choose a member of the Planning Board, a Member of the Sewer Commission, and a member of the Redevelopment Authority for a term of one year; a member of the Sewer Commission for a term of two years; a member of the Board of Selectmen, an Auditor, a member of the Board of Health, a Moderator, an Assessor, a Tree Warden, a Trustee of the Public Library, a Cemetery Commissioner, two members of the School Committee, and a member of the Sewer Commission all for a term of three years; a member of the Redevelopment Authority, a member of the Housing Authority, a member of the Planning Board, and a Parks Commissioner all for a term of five years.

ARTICLE 2. To choose all other necessary Town Officers for the year ensuing and to meet on March 7, 1970, at 2:00 p.m. in the Memorial High School Auditorium in said Millbury and to act on the following articles to wit:

ARTICLE 3. To hear the reports of several Town Officers and Committees and act thereon.

ARTICLE 4. To raise and appropriate such sums of money as may be necessary to defray Town Charges for the year ensuing, including sums for the lighting of Streets, the salaries of town officials, the maintenance of the Town Library, the observance of Memorial and Armistice Days, Care and improvement of cemeteries care of clocks, care of fire alarm, the use of the Tree Warden, the use of Department of Veterans' Services, use of Emergency Dispatcher, salaries of Fire and Police Departments, Retirement Pensions, Town Engineer, or take any action thereon.

ARTICLE 5. To choose any Committee or Committees that may be thought necessary.

*The Finance Committee recommends favorable action on this article.*

ARTICLE 6. To see what action the Town will take regarding the hiring of nine or more policemen to patrol our streets and to raise and appropriate money for the same, or take any action thereon.

*The Finance Committee recommends favorable action on this article.*

ARTICLE 7. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen to borrow money from time to time in anticipation of the revenue for the financial years beginning January 1, 1970, and January 1, 1971, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of General Laws, Chapter 44, Section 17, or take any action thereon.

*The Finance Committee recommends favorable action on this article.*

ARTICLE 8. To see if the Town will vote to authorize the Selectmen to sell, after giving notice of the time and place of sale by posting such notice of sale in some convenient and public place in the Town, fourteen days at least before the sale, property taken by the Town under Tax Title Procedure provided the Selectmen, or whomsoever they may authorize to hold such public auction may reject any bid which they deem inadequate, or take any action thereon.

*The Finance Committee recommends favorable action on this article.*

ARTICLE 9. To see if the Town will vote to raise and appropriate or transfer from available funds in the Town Treasury a sum of money to provide for extraordinary or unforeseen expenditures under the provisions of Chapter 40, Section 6, of the General Laws of Massachusetts, to be known as the Reserve Fund, or take any action thereon.

*The Finance Committee recommends and moves that the sum of Ten Thousand Dollars (\$10,000.00) be raised and appropriated for the purpose of this article.*

ARTICLE 10. To see if the Town will vote to raise and appropriate a sum of money to be used by the Selectmen to settle claims for personal property damage or incidental personal injury claims that may be brought against the Town, or take any action thereon.

*The Finance Committee recommends and moves that the sum of Five Hundred Dollars (\$500.00) be raised and appropriated for the purpose of this article.*

ARTICLE 11. To see if the Town will vote to raise and appropriate a sum of money to be expended by the Treasurer for filing fees and the necessary expenses of foreclosing certain Tax Titles now held by the Town, or take any action thereon.

*The Finance Committee recommends and moves that the sum of One Thousand Dollars (\$1,000.00) be raised and appropriated for the purpose of this article.*

ARTICLE 12. To see if the Town will vote to raise and appropriate a sum of money to provide one police officer for traffic duty at all Sunday Masses of St. Brigid's Church and Sunday Services at Federated and Baptist Churches, or take any action thereon.

*The Finance Committee recommends and moves that the sum of One Thousand Two Hundred and Forty-eight Dollars (\$1,248.00) be raised and appropriated for the purpose of this article.*

ARTICLE 13. To see if the Town will vote to raise and appropriate or transfer from available funds in the Town Treasury a sum of money to be expended in conjunction with any money which may be allotted by the State or County, or both, under the provisions of Chapter 90 of our General Laws to continue construction of Grafton Street, or take any action thereon.

*The Finance Committee recommends and moves that the sum of Twenty-six Thousand Dollars (\$26,000.00) be raised and appropriated for the purpose of this article.*

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of \$1,500.00 to be expended under the supervision of the Board of Selectmen and the Highway Surveyor for the purpose of repairing and replacing the Town Street and highway fences wherever necessary, or take any action thereon.

*The Finance Committee recommends and moves that the sum of One Thousand Dollars (\$1,000.00) be raised and appropriated for the purpose of this article.*

ARTICLE 15. To see if the Town will vote to raise and appropriate a sum of money to pay claims for land taking, land damages and incidental costs resulting from the reconstruction of Grafton Street under provisions of Chapter 90 of our General Laws or take any action thereon.

*The Finance Committee recommends and moves that the sum of Five Thousand Three Hundred and Ten Dollars (\$5,310.00) be raised and appropriated for the purpose of this article.*

ARTICLE 16. To see if the Town will vote to raise and appropriate a sum of money to place Memorial Wreaths on the monuments situated at each Veteran's Square in the Town, or take any action thereon.

*The Finance Committee recommends and moves that the sum of One Hundred and Fifty Dollars (\$150.00) be raised and appropriated for the purpose of this article.*

ARTICLE 17. To see if the Town will vote to raise and appropriate a sum of money to add to the stabilization fund for the Town of Millbury, or take any action thereon.

*The Finance Committee recommends and moves that the sum of Twenty-five Thousand Dollars (\$25,000.00) be raised and appropriated for the purpose of this article.*

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of \$1,500.00 to sponsor a band concert and fire works to be held on the 4th of July 1970 — this event to be held in conjunction with an all day affair sponsored by the Millbury Fire Department, or take any action thereon.

*The Finance Committee recommends and moves that the sum of One Thousand Five Hundred Dollars (\$1,500.00) be raised and appropriated for the purpose of this article.*

ARTICLE 19. To see if the Town will vote to authorize the Board of Assessors to use a sum not in excess of that approved by the

Director of Accounts as Millbury's "Free Cash" to reduce the tax rate in 1970, or take any action thereon.

*The Finance Committee recommends and moves that the Board of Assessors be authorized to use the sum of One Hundred Forty Thousand Two Hundred and Forty-seven Dollars (\$140,247.00) from "Free Cash" to reduce the tax rate for 1970.*

ARTICLE 20. To see if the Town will vote to authorize the Assessors to enter into a contract for Thirty Thousand Dollars (\$30,000.00) for the purpose of the Assessors' Maps as provided under the provisions of Section 4, Chapter 40 of the General Laws as amended by Chapter 63 of the Acts of 1966, and to vote for the payment of the charges incurred under these contracts by taxation, by transfer from available funds or by borrowing as provided under the provisions of Section 7 of Chapter 44 of the General Laws as amended by Chapter 63 of the Acts of 1966.

*The Finance Committee recommends and moves that the sum of Thirty Thousand Dollars (\$30,000.00) be raised and appropriated for the purpose of this article.*

ARTICLE 21. To see if the Town will vote to authorize the Assessors to enter into a contract for Forty-five Thousand Dollars (\$45,000.00) for the expert appraisal of taxable property within the Town as provided under Section 4 of Chapter 40 of the General Laws as amended by Chapter 63 of the Acts of 1966 and to vote for the payment of the charges incurred under these contracts by taxation, by transfer from available funds or by borrowing as provided under the provisions of Section 7 of Chapter 44 of the General Laws as amended by Chapter 63 of the Acts of 1966.

*The Finance Committee refers to the Board of Assessors.*

ARTICLE 22. To see if the Town will vote to raise and appropriate a sum of money to be used in conjunction with monies allocated by the Commonwealth of Massachusetts for the purpose of deweeding Dorothy Pond, or take any action thereon.

*The Finance Committee recommends and moves that the sum of One Thousand Five Hundred Dollars (\$1,500.00) be raised and appropriated for the purpose of this article.*

ARTICLE 23. To see if the Town will vote to raise and appropriate a sum of money to purchase a new grader for use by the Highway Department, the purchase to be made by a committee composed of the Board of Selectmen and the Highway Surveyor, or take any action thereon.

*The Finance Committee recommends and moves that the sum of Thirty-five Thousand Dollars (\$35,000.00) be raised and appropriated for the purpose of this article.*

ARTICLE 24. To see if the Town will vote to raise and appropriate a sum of money to purchase two new police cruisers, this purchase to be made by a committee composed of the Board of Selectmen and the Police Chief, or take any action thereon.

*The Finance Committee recommends and moves that the sum of Four Thousand Four Hundred Dollars (\$4,400.00) be raised and appropriated for the purpose of this article.*

ARTICLE 25. To see if the Town will vote to raise and appropriate the sum of Two Thousand Five Hundred Dollars (\$2,500.00) for use by the Industrial Development Commission for printing a brochure and the balance to be used for expenses of the Commission, or take any action thereon.

*The Finance Committee recommends and moves that the sum of Five Hundred Dollars (\$500.00) be raised and appropriated for the purpose of this article.*

ARTICLE 26. To see if the Town will vote to raise and appropriate the sum of Four Hundred Dollars (\$400.00) to purchase a front end snow blower attachment and a front end sickle bar cutter attachment to fit the wheel horse tractor for use by the Cemetery Commissioners, or take any action thereon.

*The Finance Committee recommends and moves that the sum of Four Hundred Dollars (\$400.00) be raised and appropriated for the purpose of this article.*

ARTICLE 27. To see if the Town will vote to transfer the sum of Two Hundred and Thirty Dollars (\$230.00) from the Insurance Fund to purchase a power saw and an AMF Rotary Mower for use by the Cemetery Commissioners, or take any action thereon.

*The Finance Committee recommends and moves that the sum of Two Hundred and Thirty Dollars (\$230.00) be transferred from the Insurance Fund for the purpose of this article.*

ARTICLE 28. To see if the Town will vote to raise and appropriate a sum of money to purchase a hydro-lift gang mower for use by the Parks & Recreation Commission, or take any action thereon.

*The Finance Committee recommends and moves that the sum of One Thousand Nine Hundred and Seventy Dollars (\$1,970.00) be raised and appropriated for the purpose of this article.*

ARTICLE 29. To see if the Town will vote to raise and appropriate a sum of money to install one street light on Juniper Drive on Pole No. 18, or take any action thereon.

*The Finance Committee recommends and moves that Articles 29, 30, 31, 32, 33, 34, 35, 36, 37, and 39 be taken as one and that the sum of Six Hundred and Eighty Dollars (\$680.00) be raised and appropriated for the purpose of these articles.*

ARTICLE 30. To see if the Town will vote to raise and appropriate a sum of money to install one street light on Birchwood Drive on Pole No. 3, or take any action thereon.

ARTICLE 31. To see if the Town will vote to raise and appropriate a sum of money to install two street lights on Ridgewood Drive on Poles No. 3 and No. 6, or take any action thereto.

ARTICLE 32. To see if the Town will vote to raise and appropriate a sum of money to install one street light on Sutton Road on Pole No. 76, or take any action thereon.

ARTICLE 33. To see if the Town will vote to raise and appropriate a sum of money to install a street light on Budreau Avenue on Pole No. 2, or take any action thereon.

ARTICLE 34. To see if the Town will vote to raise and appropriate a sum of money to install one street light at the intersection of Rhodes Street and Fink Road on Pole No. 7, or take any action thereon.

ARTICLE 35. To see if the Town will vote to raise and appropriate a sum of money to install five street lights on Wedgewood Lane on Poles No. 1, No. 3, No. 5, No. 7 and No. 8, or take any action thereon.

ARTICLE 36. To see if the Town will vote to raise and appropriate a sum of money to install two street lights on John F. Kennedy Memorial Drive on Poles No. 4 and No. 7, or take any action thereon.

ARTICLE 37. To see if the Town will vote to raise and appropriate a sum of money to replace fourteen street lights on Greenwood Street with mercury lumen vapor lights from Old Common to McCracken Road on Poles No. 12, No. 15, No. 17, No. 20, No. 24, No. 27, No. 30, No. 32,, No. 35, No. 38, No. 41, No. 45, No. 49, and No. 58, or taken any action thereon

ARTICLE 38. To see if the Town will vote to raise and appropriate a sum of money to install three (3) mercury lumen vapor lights on Greenwood Street on Poles No. 21, No. 39, and No. 55, or take any action thereon.

*The Finance Committee recommends and moves that this article be indefinitely postponed.*

ARTICLE 39. To see if the Town will vote to raise and appropriate a sum of money to install a street light on Pole No. 1 on Hamilton Street, or take any action thereon.

ARTICLE 40. To see if the Town will vote to accept John F. Kennedy Memorial Drive as a public street, or take any action thereon.

*The Finance Committee refers to the Planning Board.*

ARTICLE 41. To see if the Town will vote to accept Matson Lane as a public street, or take any action thereon.

*The Finance Committee refers to the Planning Board.*

ARTICLE 42. To see if the Town will vote to accept Carousel Drive as a public street, or take any action thereon.

*The Finance Committee recommends favorable action on this article.*

ARTICLE 43. To see if the Town will vote to accept Cheryl Lane as a public street, or take any action thereon.

*The Finance Committee recommends favorable action on this article.*

ARTICLE 44. To see if the Town will vote to accept Bellville Lane as a public street, or take any action thereon.

*The Finance Committee recommends favorable action on this article.*

ARTICLE 45. To see if the Town will vote to accept Wedgewood Drive as a public street, or take any action thereon.

*The Finance Committee recommends favorable action on this article.*

ARTICLE 46. To see if the Town will vote to accept Alpine Street as a public street from its present point of acceptance to Beach Street, or take any action thereon.

*The Finance Committee recommends favorable action on this article.*

ARTICLE 47. To see if the Town will vote to accept Laurel Drive as a public street, or take any action thereon.

*The Finance Committee recommends favorable action on this article.*

ARTICLE 48. To see if the Town will vote to accept Juniper Drive as a public street, or take any action thereon.

*The Finance Committee recommends favorable action on this article.*

ARTICLE 49. To see if the Town will vote to accept Birchwood Drive as a public street, or take any action thereon.

*The Finance Committee refers to the Planning Board.*

ARTICLE 50. To see if the Town will vote to accept Ridgewood Drive as a public street, or take any action thereon.

*The Finance Committee recommends favorable action on this article.*

ARTICLE 51. To see if the Town will vote to raise and appropriate a sum of money to widen Greenwood Street for a distance of two thousand five hundred feet (2,500 feet) and to construct a sidewalk for the same distance in the vicinity of the Greenwood Street Playground, or take any action thereon.

*The Finance Committee refers to the Planning Board.*

ARTICLE 52. To see if the Town will vote to raise and appropriate a sum of money to reconstruct and resurface Elm Court, or take any action thereon.

*The Finance Committee recommends favorable action on this article and further recommends and moves that this work be done under a three-phase program, and that the sum of Four Thousand Dollars (\$4,000.00) be raised and appropriated for phase one of this program.*

ARTICLE 53. To see if the Town will vote to raise and appropriate a sum of money to construct a sidewalk on the westerly side of Main Street from Martin Street to Park Hill Avenue, or take any action thereon.

*The Finance Committee recommends favorable action on this article and further recommends and moves that the sum of money to construct a sidewalk on the westerly side of Main Street from Martin*

*Street to Park Hill Avenue be taken from the Permanent Sidewalk Account under Article 4.*

ARTICLE 54. To see if the Town will vote to raise and appropriate a sum of money to install a culvert on the opposite side of No. 5 Henry Street to correct a drainage problem, or take any action thereon.

*The Finance Committee refers to the Planning Board.*

ARTICLE 55. To see if the Town will vote to raise and appropriate a sum of money to correct a drainage problem in front of the Alfred J. Sylvia residence located on South Oxford Road, Millbury, this drainage causing damage to the Mercer Albosta and Defoss properties located on Wedgewood Lane, Millbury, or take any action thereon.

*The Finance Committee refers to the Planning Board.*

ARTICLE 56. To see if the Town will vote to raise and appropriate a sum of money to install a pipe from No. 14 and No. 15 Lake Street, to an existing catch-basin at the start of Lake Street (which is on Millbury Avenue) to rectify a drainage problem, or take any action thereon.

*The Finance Committee recommends and moves that the sum of Four Thousand Three Hundred Dollars (\$4,300.00) be raised and appropriated for the purpose of this article.*

ARTICLE 57. To see if the Town will vote to accept Pineland Avenue as a public street or take any action thereon.

*The Finance Committee recommends favorable action on this article.*

ARTICLE 58. To see if the Town will vote to raise and appropriate a sum of money to reconstruct and resurface Pineland Avenue, or take any action thereon.

*The Finance Committee refers to the Planning Board.*

ARTICLE 59. To see if the Town will vote to raise and appropriate a sum of money for the reconstruction of Westview Avenue or take any action thereon.

*The Finance Committee recommends and moves that the sum of Four Thousand Dollars (\$4,000.00) be raised and appropriated for the purpose of this article.*

ARTICLE 60. To see if the Town will vote to raise and appropriate a sum of money to continue the next phase of the reconstruction of Braney Road, or take any action thereon.

*The Finance Committee recommends and moves that the sum of Seven Thousand Four Hundred Dollars (\$7,400.00) be raised and appropriated for the purpose of this article.*

ARTICLE 61. To see if the Town will vote to raise and appropriate a sum of money for the reconstruction and resurfacing of Sunset Drive or take any action thereon.

*The Finance Committee recommends and moves that the sum of Six Thousand Dollars (\$6,000.00) be raised and appropriated for the purpose of this article.*

ARTICLE 62. To see if the Town will vote to accept Walling Avenue for a distance of 200 feet southerly off Hamilton Street, or take any action thereon.

*The Finance Committee recommends favorable action on this article.*

ARTICLE 63. To see if the Town will vote to raise and appropriate a sum of money for the reconstruction and resurfacing of Walling Avenue, or take any action thereon.

*The Finance Committee recommends and moves that the sum of One Thousand Four Hundred and Fifty Dollars (\$1,450.00) be raised and appropriated for the purpose of this article.*

ARTICLE 64. To see if the Town will vote to raise and appropriate a sum of money to be used by the Planning Board to hire a professional planning consultant for assistance in long range planning, or take any action thereon.

*The Finance Committee recommends and moves that the sum of Two Thousand Five Hundred Dollars (\$2,500.00) be raised and appropriated for the purpose of this article.*

ARTICLE 65. To see if the Town will vote to have the Board of Selectmen negotiate for the sale of land necessary to remove the "S" Curve on Stone Road with Mr. Carl F. Chaffee, of Stone Road, making it possible for the Town of Millbury to extend Stone Road from the northerly end of the "S" Curve in a southerly direction straight to West Main Street, and report back to the next Annual Town Meeting.

*The Finance Committee recommends favorable action on this article.*

ARTICLE 66. To see if the Town will vote to accept the provisions of Chapter 40, Section 21, Paragraph 20 of the General Laws "for requiring owners of land whereon is located an abandoned well in use, to either provide a covering for such well capable of sustaining a weight of three hundred pounds or to fill same to the level of the ground. The penalty for violation of any ordinance or by-law made hereunder shall be a fine of not less than one hundred dollars nor more than five hundred dollars."

*The Finance Committee recommends favorable action on this article.*

ARTICLE 67. To see if the Town will vote to amend the vote taken on Article 56 at the Annual Town Meeting held on March 7, 1964, by striking out the words "the annual cost to the Town to be an apportioned cost determined by the District Planning Commission on a per capita basis as provided in Section 7 of said Chapter 40B, or the sum of \$768.48 whichever is the lesser," and by substituting therefor the following: "the annual cost to the Town to be an apportioned cost determined by the District Planning Commission on a per capita basis as provided in Section 7 of said Chapter 40B, but

in no event greater than ten cents per capita based upon the most recent national census."

*The Finance Committee recommends favorable action on this article.*

ARTICLE 68. To see if the Town will vote to appropriate a sum of money to construct a municipal office building and police station; to determine whether this appropriation shall be raised by borrowing or otherwise, or take any action thereon.

*The Finance Committee recommends and moves that this article be indefinitely postponed.*

ARTICLE 69. To see if the Town will vote to authorize the present Municipal Office Building Needs Committee to act as a Municipal Office Building Committee, or take any action thereon.

*The Finance Committee recommends and moves that this article be indefinitely postponed.*

ARTICLE 70. To see if the Town will vote to accept the provisions of Chapter 90, Section 18A of the General Laws, the "Pedestrian Control Law."

*The Finance Committee recommends favorable action on this article.*

ARTICLE 71. To see if the Town will vote to accept the provisions of Chapter 40, Section 8D of the General Laws relative to the establishment of a Historical Commission in the Town of Millbury or take any action thereon.

*The Finance Committee recommends favorable action on this article.*

ARTICLE 72. To see if the Town will vote to raise and appropriate a sum of money to install a new roof on the Town Hall Building, or take any action thereon.

*The Finance Committee recommends favorable action on this article, but the sum of money needed for this work is not available at this time.*

ARTICLE 73. To see if the Town will vote to raise and appropriate, or transfer from available funds, the sum of Seven Thousand Five Hundred Dollars (\$7,500.00) to be expended by the High School Building Committee for the purpose of hiring an architect to draw preliminary plans for the construction of a new high school, or take any action thereon.

*The Finance Committee recommends and moves that this article be indefinitely postponed.*

ARTICLE 74. To see if the Town will vote to instruct the Moderator to appoint a High School Building Committee consisting of eleven (11) members as follows: three members from the School Committee, three members from the Planning Board, and five at-large members — one from each of the five precincts of the Town of Millbury. This Committee shall procure preliminary plans and an estimate of construction costs for a new high school and report their findings

and recommendations at the next Annual Town Meeting or at a Special Town Meeting called for this purpose, or take any action thereon.

*The Finance Committee recommends and moves that this article be indefinitely postponed.*

ARTICLE 75. To see if the Town will vote to raise and appropriate the sum of One Thousand Two Hundred and Eighty-five Dollars (\$1,285.00) to extend the present fire alarm system on South Oxford Road for a distance of seven-tenths (7/10) of a mile to the corner of Wedgewood Lane at South Oxford Road, or take any action thereon.

*The Finance Committee recommends and moves that the sum of One Thousand Two Hundred and Eighty-five Dollars (\$1,285.00) be raised and appropriated to extend the present fire alarm system to Pole No. 44 on South Oxford Road.*

ARTICLE 76. To see if the Town will vote to raise and appropriate the sum of Seven Hundred and Seventy-five Dollars to extend the present fire alarm system on Juniper Drive, or take any action thereon.

*The Finance Committee recommends and moves that the sum of Seven Hundred and Seventy-five Dollars (\$775.00) be raised and appropriated to extend the present fire alarm system to Pole No. 9 on Juniper Drive.*

ARTICLE 77. To see if the Town will vote to raise and appropriate the sum of Eight Hundred Dollars (\$800.00) to extend the present fire alarm system to Pole No. 19 on Beach Street, or take any action thereon.

*The Finance Committee recommends and moves that the sum of Eight Hundred Dollars (\$800.00) be raised and appropriated to extend the present fire alarm system to Pole No. 17 on Beach Street.*

ARTICLE 78. To see if the Town will vote to contract with the Massachusetts Water Works Company, Inc., for the installation of two (2) fire hydrants on John F. Kennedy Memorial Drive, the exact locations to be determined by the Board of Fire Engineers, or take any action thereon.

*The Finance Committee recommends and moves that the sum of One Hundred and Seventy-five Dollars (\$175.00) be raised and appropriated to install one (1) fire hydrant on John F. Kennedy Memorial Drive at the intersection of Matson Lane.*

ARTICLE 79. To see if the Town will vote to contract with the Massachusetts Water Works Company, Inc., for the installation of a fire hydrant on the corner of Alpine and Beach Streets, or take any action thereon.

*The Finance Committee recommends and moves that the sum of One Hundred and Twenty-five Dollars (\$125.00) be raised and appropriated for the purpose of this article.*

ARTICLE 80. To see if the Town will vote to raise and appropriate the sum of Two Thousand Five Hundred Dollars (\$2,500.00) for the purchase of one radar unit with two walkie talkies, subject to

approval notification of 100% reimbursement from the Massachusetts Department of Administration and Finance, Highway Safety Program; said purchase to be made by a committee composed of the Board of Selectmen and the Chief of Police, or take any action thereon.

*The Finance Committee recommends and moves that the sum of Two Thousand Five Hundred Dollars (\$2,500.00) be raised and appropriated for the purpose of this article.*

ARTICLE 81. To see if the Town will vote to raise and appropriate the sum of Three Thousand Five Hundred Dollars (\$3,500.00) for the purpose of selecting a site and hiring an architect to draw plans and specifications for a new police station; and to further vote to instruct the Board of Selectmen to appoint a committee for this purpose, said committee to make a report at the next Annual Town Meeting, or take any action thereon.

*The Finance Committee recommends and moves that the sum of Three Thousand Five Hundred Dollars (\$3,500.00) be raised and appropriated for the purpose of this article.*

ARTICLE 82. To see if the Town will vote to raise and appropriate the sum of Nine Hundred and Seventy-five Dollars (\$975.00) to purchase a breathalyzer for use by the Police Department, said purchase to be made by a committee composed of the Board of Selectmen and the Chief of Police, or take any action thereon.

*The Finance Committee recommends and moves that this article be indefinitely postponed.*

ARTICLE 83. To see if the Town will vote to amend the Town By-Laws by inserting under Article 4, after Section 8 the following section to wit: SECTION 9. That all elected boards and committees (ie) Board of Selectmen, School Committee, Planning Board, Redevelopment Authority, Housing Authority, Board of Health, Sewage Commission, Parks and Recreation Commission, Board of Assessors, Library Trustees, and any other Board or Committee adopted hereafter by election and at the annual town meeting, shall keep an attendance record of all regular members at all regular meetings and all special meetings called by the majority of the board. Said attendance record shall be made a part of the written annual report to the Board of Selectmen.

*The Finance Committee recommends favorable action on this article.*

ARTICLE 84. To see if the Town will vote to amend the Millbury Zoning By-law by revising the Zoning Map as indicated on the map prepared for the Planning Board, labelled, Proposed Revisions dated December 10, 1968, said revisions being as follows:

**Area C — Change from Suburban I to Industrial**

(An area on the westerly side of Providence Road, bordering the Sutton Town Line and the New England Power Company's transmission lines, consisting of 100 acres more or less.)

**Area E — Change from Suburban I to Industrial Park District**

(An area on the northerly side of the Massachusetts Turnpike and south of the Worcester Line between Park Hill

Avenue and Millbury Avenue, consisting of 100 acres more or less).

*The Finance Committee recommends favorable action on this article.*

ARTICLE 85. To see if the Town will accept a drainage easement from Robert Bernard, Property located on the easterly side of Burbank Street near the Sutton Line, or take any action thereon.

*The Finance Committee recommends favorable action on this article.*

ARTICLE 86. To see if the Town will vote to raise and appropriate a sum of money to pay the cost of advertising amendments to the Town By-laws and Zoning Map, or take any action thereon.

*The Finance Committee recommends and moves that the sum of One Hundred and Ninety-five Dollars (\$195.00) be raised and appropriated for the purpose of this article.*

ARTICLE 87. To see if the Town will vote to amend the Zoning By-laws as follows:

**A. Add the following new district:**

**Section VIII A. Industrial Park District**

1. Uses permitted. In any Industrial Park District the following uses are permitted, subject to "Site Plan Review":
  - a. Office for administrative, executive, professional, sales and other similar use.
  - b. Laboratory for scientific, agricultural, or industrial research.
  - c. Wholesale or storage warehouse.
  - d. Light industrial use including manufacturing, storage, processing, fabrication, packaging and assembly.
  - e. Newspaper or job printing.
  - f. Wholesale bakery.
  - g. Public utility building or structure.
2. Requirements of Section VIII, Paragraphs 2, 3, and 4 shall apply to this district.
3. No building or structure hereinafter erected in an Industrial Park District shall be built, located, or enlarged which does not conform to the minimum requirements of this By-law. Section XI, Paragraph b. shall not apply to this section.
4. All outdoor storage of materials shall be subject to set back lines and limited to the rear of the front line of the principal building, and shall be screened from public view by some substantial means such as an ornamental wall, an ornamental lattice or a dense planting.

**B. Add the following Section:**

**Section VIII B. Site Plan Review**

1. Where site plan review is required, no building or structure shall be erected or externally enlarged, and no area for parking, loading, or vehicular service (including driveways giving access thereto) shall be established or changed, except in conformity with a site plan bearing the endorsement of approval of the Board of Appeals. Said site plan shall show among other things, all existing and proposed buildings, structures, parking areas, loading areas, driveway openings, driveways, service areas and other open uses, all facilities for sewage, refuse and other waste disposal and for surface water drainage, and all landscape features (such as walks, planting areas, trees, fences and signs) on the lot. Said plan shall be subject to such rules relating to scale, dimensions, legend, form and preparation as may from time to time be promulgated by the Board of Appeals.
2. Each application form, when submitted for a special permit hereunder, shall be accompanied by three copies of the proposed site plan. The Board of Appeals shall, within three (3) days after receipt of any site plan, transmit one copy thereof to the Planning Board. The Planning Board will investigate the case and report in writing its recommendations to the Board of Appeals. The Board of Appeals shall not take final action on said plan until it has met with and received a report thereon from the Planning Board, or until said Planning Board has allowed thirty (30) days to elapse after receipt of such plan without submission of a report thereon.
3. In exercising its jurisdiction under this Section, the Board of Appeals shall conform to all requirements of procedure applicable to a board of appeals when deciding requests for special exceptions under this By-law (including the imposition of conditions) and under The General Laws, Chapter 40A, as amended, including the requirements thereof for public notice and hearing.
4. In considering a site plan under this Section, the Board of Appeals shall assure, to a degree consistent with a reasonable use of the site for the purposes permitted or permissible by the regulations of the district in which located:
  - a. Protection of adjoining premises against any possible detrimental or offensive uses on the site, including unsightly or obnoxious appearance.
  - b. Convenience and safety of vehicular and pedestrian movement within the site, and in relation to adjacent street, property or improvements.
  - c. Adequacy of the methods of disposal for sewage, refuse and other wastes resulting from the uses permitted or permissible on the site, and the methods of drainage for surface water.
  - d. Adequacy of space for the off-street loading and unloading of vehicles, goods, products, materials and equipment incidental to the normal operation of the establishment or use.
  - e. No permit to build or alter or expand any building or structure requiring a site plan review under this By-law

shall be issued by the Building Inspector until he shall have received from the Board of Appeals a written statement of final approval by said Board. The Building Inspector shall enforce the fulfillment of any conditions or revisions which the Board of Appeals may impose in order to satisfy any of the factors upon which the Site Plan Review is based.

*The Finance Committee refers to the Planning Board.*

ARTICLE 88. To see what action the Town will take relative to acquiring of the Polish National Alliance Property, located on MacArthur Drive abutting Dorothy Pond, to be used for recreational purposes, or take any action thereon.

*The Finance Committee recommends favorable action on this article.*

The polls will be open at 8:00 a.m. and shall be closed at 6:00 p.m.

Given under our hands this 29th day of January in the year of our Lord one thousand nine hundred and seventy.

GEORGE A. MALO
